- To make students have communion with the nature and make them understand its significance and preserve it.
- To instil discipline and moral values in order to make them responsible citizen of the nation as well as good human being.
- To strive to curb various evils in Melghat like Malnutrition and superstition through education.

प्रस्तावना (Preface)

विदर्भाचे नंदनवन, मेळघाट व्याघ्र प्रकल्प, गुगामल राष्ट्रीय उद्यान, वनवासींचा अधिवास, सातपुडा पर्वतरांगातील दुर्गम डोंगराळ, आंतरराष्ट्रीय ख्यातीप्राप्त असा मेळघाट परिसर उच्च शिक्षणाच्या दृष्टीने अत्यंत मागासलेला होता. मेळघाटातील या तालुक्याच्या ठिकाणी चिखलदरा (अमरावती शहरापासून ८४ कि.मी.) सन १९९६ ला सिपना शिक्षण प्रसारक मंडळ, अमरावती द्वारा कला, विज्ञान व वाणिज्य महाविद्यालय सुरू करण्यात आले व वनवासी बांधवांना उच्च शिक्षणाचे दालन खुले झाले. आदिवासी भागातील प्रत्येक अडचणीला तोंड देत संस्थेने भरीव प्रगतीची वाटचाल सुरू केलेली आहे. चिखलदरा हे थंड हवेचे ठिकाण म्हणून मध्य भारतात प्रसिद्ध आहे. विविध प्राकृतिक सौंदर्याने नटलेल्या चिखलदऱ्यातील कला, विज्ञान व वाणिज्य महाविद्यालय हे ज्ञानदानाचे व्रत सतत पार पाडत आहे.

चिखलदऱ्यासारख्या दुर्गम व शैक्षणिक दृष्ट्या मागासलेल्या ठिकाणी, जेथे ३५ कि.मी. च्या परिसरात एकही महाविद्यालय नव्हते त्या ठिकाणी सामान्य स्वरूपाचे विषयच नव्हे तर पेट्रोकेमिकल सायन्स, फूड सायन्स, इंडस्ट्रीयल केमेस्ट्री, जीऑलॉजी, एन्हायरमेंटल सायन्स, कॅम्प्युटर सायन्स, अॅपीकल्चर ह्यासारख्या अत्याधुनिक विषयांच्या अध्यापनाची सोय महाविद्यालयाने केलेली आहे.

The college has well equipped laboratories, library and an N.S.S. unit of 100 students. It is 100% grant-in-aid senior college. The college does not believe in bookish knowledge only. We make student an active participant in the process of acquiring knowledge and education and make sure that our student develop almost every aspect of his personality.

परिश्रम, चिकाटी आणि इच्छाशक्तीच्या बळावर अनेक अडचणींवर मात करित सिपना शिक्षण प्रसारक मंडळाने शिक्षण क्षेत्रात मानाचा दर्जा मिळविलेला आहे. पालक आणि विद्यार्थी यांच्या सहकार्याने आम्ही आमच्या उद्दिष्टांमध्ये यशस्वी होऊ असा आम्हाला विश्वास वाटतो.

[Sipna Shikshan Prasarak Mandal runs a College of Engineering and Technology in Amravati (Established in 1999) which is accredited by IAO and Certified by ISO 9001:2015 (Quality Management system), ISO 14001:2015 (Environment Management System) & ISO 17025:2005 as well as NAAC accredited with grade 'A' CGPA 3.05]

Coordination Committee Report- (2023-2024)

Report of the Student Induction Programme, Degree Distribution Programme and functions of the committee

Academic Year -2023-2024

Date - :28/08/2023

Venue - : Seminar Hall

Objectives:

1. Hold Student Induction Program
2. Provide Information About Schemes, Scholarships, and Committees
3. Inform Students About the Syllabus
4. Coordinate Teaching, Learning, and Evaluations for Science, Arts, and Commerce Students and teachers.

Brief Report: -

The College conducted a Student Induction Programme for the academic year 2023-24 on 28/08/2023, catering to students from the Arts, Science, and Commerce faculties. The objectives of the induction program were to provide essential information about various college committees, student schemes, scholarship rules, and required documentation. Students received guidance on library resources, college discipline, and information from committee coordinators.

Subject teachers from the Science faculty, including those from Apiculture, Botany, Computer Science, Environmental Science, Geology, Physics, Petrochemical Science, Industrial Chemistry, Mathematics, English, Marathi, and Hindi, shared critical details with students. This included an overview of the syllabus, internal marks, practical and theory assessments, and internal assessment parameters. This comprehensive program aimed to equip students with the necessary information for a successful academic journey.

No. of participants/ Beneficiaries in Student Induction Programme: -233 students

The degree certificate distribution ceremony

On 15th March 2024, the Arts, Science & Commerce College in Chikhaldara hosted a Degree Certificate Distribution Program to celebrate the achievements of its graduating students. The event featured Miss Mukta Tekade, the esteemed Director of Ranger College, as the chief guest, highlighting the importance of collaboration and support among educational institutions.

The program was chaired by Professor Dr. U. G. Tayade, the In-Charge Principal of the college, who welcomed attendees and emphasized the significance of academic accomplishments in shaping students' futures. A total of 17 students were present to receive their degree certificates, marking a pivotal moment in their educational journey.

During the ceremony, both the chief guest and the principal addressed the audience, offering words of encouragement and advice. They highlighted the hard work and dedication required to reach this milestone and urged students to continue pursuing knowledge and excellence in their future endeavours.

The event not only recognized the students' achievements but also fostered a sense of community within the college, reinforcing the supportive environment that encourages personal and academic growth.

No. of participants/ Beneficiaries: -49

The functions of the committee

The committee addresses the following key factors of Teaching, Learning and Evaluation
Curriculum Compliance

The committee ensures that all teaching practices align with Program Outcomes (PO), Program Specific Outcomes (PSO), and Course Outcomes (CO). This alignment guarantees that the educational objectives are met and that students acquire the necessary knowledge and skills.

Remedial Teaching and Bridge course

In response to the varying needs of students, the committee ask the teachers to take up remedial teaching and bridge courses. These initiatives are designed to support students who may be struggling, ensuring they have the opportunity to grasp essential concepts.

Academic Planning

Strict adherence to the academic plan is enforced to maintain consistency and structure in curriculum delivery. This planning helps in streamlining the educational process and ensuring that all topics are covered comprehensively.

Learner Identification

The committee expects identification of both slow and advanced learners within the classroom. By recognizing these groups, teaching strategies can be adapted to meet their specific needs, ensuring all students receive appropriate challenges and support.

Addressing Cross-Cutting Issues

Wherever feasible, integration of cross-cutting issues—such as gender equality, environmental sustainability, and social justice, professional ethics, etc—into the curriculum is facilitated. This approach fosters critical thinking and awareness among students about real-world challenges.

Use of ICT

The committee encourages the effective use of Information and Communication Technology (ICT) to enhance teaching and learning experiences. By integrating technology into the classroom, teachers can provide interactive and engaging lessons.

Student Support Services

The committee plays a vital role in ensuring that students are aware of and can fully utilize available support services.

Study Materials

To enhance accessibility, the committee advocates for the development of study materials in local languages. This initiative helps bridge language barriers and allows all students to engage with the content more effectively.

Outreach programs

Promoting human values is a key focus during curriculum delivery. The committee encourages teachers to carry out various outreach programs in order to instil values such as respect, inclusiveness, patience, empathy and integrity in students, helping them become responsible and ethical individuals.

VI students as part of their curriculum for the session 2023-2024 at Chikhaldara and surrounding areas on 4/04/2024. Total 15 students were present during the field work. Geological this area is very important for the field work because it shows very good exposures of Igneous rock along with well preservation of erosional structures. The following activities were carried out during field work;

- i) Introduction/Idea of area
- ii) Identification of rocks and its types, beds, flow contacts etc.
- iii) Identification of topography and topographical features.
- iv) Measurement of dip and strike.
- v) Identification of geological structures present on rock/beds
- vi) Preparation of Lithologs.
- vii) Collection of rock samples.
- viii) Identification of river, river confluence and direction of river flow.
- ix) Identification of rain water harvesting structures.
- x) Preparation of field diary.

The field work was successfully completed. The collected samples along with field diary and field report were also submitted by the student. The same is kept in the department.

Entrepreneurship Development Cell in collaboration with **Sampurna Bamboo Kendra**, Lawada, Distt. Amravati (A NGO working in this field for Tribal) and Department of Commerce, ASCC had arranged training workshop on "Bamboo Craft Manufacturing" from 14-12-2023 to 18-12-2023. This training workshop was organized under the theme of "Earn While Learn". Mr. Shivcharan L Kottewar, Co-ordinator of EDII Cell, Mr. Ganesh Kanase, Sampurna Bamboo Kendra, all the members of Cell, faculty members of commerce department and the persons from Kendra and especially Mr. Shivcharan Kottewar, Dept. of Comm. worked hard for the success of this training workshop.

INAUGURAL FUNCTION

The inaugural function started at 11.00 am sharp on 14-12-2023. Honorable Principal of college, **Dr. Rajesh. S. Jaipurkar**, presided over the ceremony. Mr. Ganesh Kanase, convener of Kedra, on the dais. Mr. Shivcharan L. Kottewar compeered the program. The function started with lighting the lamp and '**Poojan**' of Bharat Mata & Gadge Baba images by giving floral tributes. All the dignitaries on the dais were felicitated by offering bamboo crafts and bouquets. In the beginning **S. L. Kottewar**, Co-Ordinator of EDII Cell gave introductory speech in which he told about the cell, the motive behind the establishment of the Cell and provided information about the major programs conducted by the Cell since its establishment. He also justified the need of establishment of such cells in college. He elaborate the term 'Earn while Learn' and put the motive behind this program. Many students are unable to focus on study due to economic problems. These types of programs will help the students to continue their higher education with full force. Mr. Ganesh Kanase told the story of Sampurna Bamboo Kedra. He summarized their work and the objectives of his organization. He also requests the students to take part in this training with full enthusiasm and explain the scope of such training.

To sum up, the chairperson of the inaugural function **Dr. R. S. Jaipurkar** delivered his presidential speech. He again gave assurance about any kind of help from the institution, and prayed for the success. **Mr. Ashish Kanhu**, faculty of commerce from ASCC presented the vote of thanks.

WORKSHOP

After tea break, the trainers from Sampurna Bamboo Kendra Mr. Atmaram, started the workshop. The bamboo pieces, all the require instruments were brought with the help of Kendra. Every day the participants were trained by the instructors from 11.00 am to 5.00 pm. Each day of training was used to start and end with the prayer of motivation. The students were learned to use the various instruments fluently and create many crafts from bamboo. During the training students manufactured the bamboo craft making.

VALEDICTORY FUNCTION

The Valedictory function started at 4.00 pm sharp on 18-12-2023. **Dr. R. S. Jaipurkar**, Principal, **Mr. Ganesh Kanase**, convener of Kendra, **Mr. Shivcharan Kottewar** were on the dias. **DR. P. M. Kute** compeered the program. The function started with lighting the lamp and 'Poojan' of Bharat Mata & Gadge Baba images by giving floral tributes. All the dignitaries on the dias and the trainers were felicitated by offering bouquets. In the beginning **Mr. Kottewar**, gave introductory speech in which he told about the 'Earn and Learn' scheme. He also justified the need of establishment of such scheme in the college. He elaborate the term 'Earn while Learn' and put the motive behind this program. He enlightens the fact that many students are unable to focus on study due to economic problems. He assured that the program will help the students in earning some money while learning which will help him to continue their higher education with full force. **Mr. P.M. Kute**, member of ED Cell presented the vote of thanks. **Dr. Shivcharan Kottewar**, **Dr. D.S. Hedao**, **Dr. K.N. Shaha**, **Dr. P.M. Kute**, **Dr. G.B. Dhavale** contributed for the success of the workshop. About 20 students registered for this workshop and completed the training successfully.

OUTPUT OF THE WORKSHOP:

- It was a good interactive workshop
- Students came to know the opportunities and prospects of learning the bamboo craft making
- They came to know about the demand of such crafts in the market
- They learn to use various instruments required for the craft making, and manufactured various beautiful crafts
- Students got the satisfaction and happiness of making something new
- Many students said that they will use this knowledge and will make use for the self employment

NEED OF SUCH TYPES OF WORKSHOPS

As we run the college in hilly and tribal area, pursuing a degree is not enough. Maximum students are from very poor economical background. Many students leave their education in middle due to economic problems. **Entrepreneurship Development Cell** is working in the field of self employment. Such types of workshop can provide an opportunity to the student for their better future. ED cell is planning for the commercial production of these types of lamps. We will provide all the facilities and kits to the students and they will manufacture the lamps. These lamps will be purchased by the cell and will be sold through its outlets. This will provide some financial help to the students and they can earn while learn.

Subject: Request for Permission to Organize Add On Course On Time Management

Dear Sir,

I hope this letter finds you well. I am writing to seek your permission to organize Add On Course On Time Management during the period 04.03.2024 to 09.03.2024 daily five hours at our esteemed college premises.

Add-On Course on Time Management typically aim to equip individuals with skills and techniques to effectively utilize their time, improve productivity, and achieve personal and professional goals. We believe it will contribute significantly to the overall development and engagement of our college community.

We assure you that all necessary arrangements and precautions will be taken to ensure the smooth conduct of the event without causing any disturbance to regular college activities.

We kindly request your approval for this initiative and would be grateful for any guidance or conditions you may have.

Thank you for considering our request. We look forward to your positive response.

Sincerely,

Dr. D. S. Hedao
Coordinator,

Subject: Request for permission to organize "Add-On course's in

(01) Yoga & Meditation for Good Health
(02) Martial Arts for Self Defense

R/Sir,

I hope this letter finds you well. I am waiting to seek your permission to organize **Add-On course in Yoga & Meditation for Good Health & Martial Arts For Self Defense**, At Adiwasi Mulinche Shaskiya, Vastigruha, Chikhaldara premises 14th to 23 March 2024 at 7.00 to 10.00 am.

The purpose of this event is providing Yoga & Martial Arts knowledge and to motivate local as well as college students to take part in the Add-on courses for their good health. We believe it will contribute significantly to the overall development and engagement of our college community.

We assure you that necessary arrangements and precautions will be taken to ensure the smooth conduct of the events without causing any disturbance to regular college activities.

We kindly request your approval for this initiative and would be grateful for any guidance or conditions you may have.

Thank you for considering our request. We look forward to your positive response.

About The Society And College:

Sipna Shikshan Prasarak Mandal, Amravati is established with the specific goals and mission of overall development of the people in Melghat, a tribal, remote, hilly and backward region in Amravati and Akola district of Maharashtra state. Melghat region comprises of Chikhaldara and Dharni tahsils and part of Achalpur, Anjangaon Surji and Akot tahsil. Melghat is hilly terrain at the northern extreme of the Amravati district of Maharashtra. Melghat means 'meeting of the ghats', which describes the area as a large tract of unending hills and ravines scarred by jagged cliffs and steep climbs. It is renowned for 'Melghat Tiger Project' and 'Gugamal National Park' worldwide. Presently, the total area of the reserve is around 1677 km. The forest is tropical dry deciduous in nature, dominated by teak (*Tectonagrandis*). Chikhaldara is a hill station, famous tourist destination and a municipal council in Melghat. Chikhaldara is known as the 'Nandanvan of Vidarbha'. Chikhaldara is situated at an altitude of 1118 mtrs with Vairat point at 1188 mtrs. Also, it has the added dimension of being the only coffee-growing area in Maharashtra. The place has a rich variety of flora and fauna with the nature's beautiful architecture spread all over the region.

Arts, Science and Commerce College, Chikhadara, Distt. Amravati came into existence in 1996 with an intention to impart higher education to the tribal at their very door steps and ensure

their well being, growth and safety. The college is assessed and accredited by NAAC, Bengaluru with A grade (CGPA 3.22) in 4th NAAC cycle. The college offers degree courses like B. A., B. Sc., B. I hope this letter finds you well. I am writing to seek your permission to organize Certificate course on "Vedic Mathematics" in the period 28/03/2024 to 04/04/2024

The purpose of this event is developing numerical ability among the students, skills in calculations, identify the various mathematical resources. We believe it will contribute significantly to the overall development and engagement of our college students.

We assure you that all necessary arrangements and precautions will be taken to ensure the smooth conduct of the event without causing any disturbance to regular college activities.

We kindly request your approval for this initiative and would be grateful for any guidance or conditions you may have.

Thank you for considering our request. We look forward to your positive response.

“CERTIFICATE COURSE IN VEDIC MATHEMATICS”

Organized by

Department of MATHEMATICS

(Academic Year :- 2023-2024)

Title of the Course :- “CERTIFICATE COURSE IN VEDIC MATHEMATICS”

Aim :- To develop the physical, moral or spiritual and intellectual powers and to achieve the solutions through it.

Objective :- Vedic Mathematics is an ancient system of mathematics that emerged from the Vedas, the ancient Indian texts. The primary objectives of Vedic Mathematics are:

1. Vedic Mathematics aims to simplify complex mathematical problems through its unique techniques and shortcuts, making calculations faster and more intuitive.
2. The system is designed to perform calculations quickly, which is especially useful in competitive exams and mental math. The techniques are often more efficient than traditional methods.
3. Many techniques of Vedic Mathematics are suitable for mental calculations, reducing reliance on calculators and improving cognitive skills.
4. Vedic Mathematics covers various aspects of mathematics, including arithmetic, algebra, geometry, and calculus, making it a versatile tool for solving a wide range of mathematical problems.

Duration	: 30 Hours
Eligibility	: B.Sc., B.A., B.Com. Students
Number of Seats	: 50 students
Number of beneficiaries	: 52 Students.
Duration	: One week
Date (Period)	: 28/03/2023 to 04/04/2024

Brief Report :

Vedic Mathematics is a system of mathematics that originates from ancient Indian texts known as the Vedas. It was popularized in the early 20th century by Bharati Krishna Tirtha, a Hindu scholar, who claimed that the techniques were derived from ancient Vedic scriptures.

This system provides a collection of methods and shortcuts for solving mathematical problems more efficiently and intuitively.

In academic year 2023-2024, department of Mathematics has conducted "*Certificate course in Vedic Mathematics*" in collaboration with Internal Quality assurance Cell (IQAC). The course syllabus of said certificate course was designed by faculties of the department as per need of course which includes basic level of Vedic mathematics with the prior permission and guidance of principal of our college. It consist the following topics as,

1. How to find the date of birth of any person?
2. How to predict person's pocket money?
3. Simple methods of multiplication,
4. Criss-cross system of multiplication,
5. Squaring of numbers,
6. Cube roots of perfect cubes and square roots of perfect square.

The course was conducted in the during the period 28/03/2024 to 04/04/2024 (total 6 days except holidays), Three hours to each working days and two hours for practice (Total 5 hours in a day i.e. 30 Hrs in a week). At the end of the course, M. C. Q. type examination was conducted. As per result the Certificates were given to the participants after successful completion of the course those who completed minimum passing criteria. Finally, the online feedback about the course was submitted by the students.

Feedback Report:

The Certificate Course in Vedic Mathematics focused on various techniques to enhance computational efficiency and problem-solving skills. The course included topics such as date of birth calculation, predicting pocket money, multiplication methods, squaring numbers, and root calculations.

Students feedback summary with their best comments

Introduction

The Certificate Course in Vedic Mathematics provided students with techniques to enhance their mathematical skills, including date of birth calculations, pocket money predictions, and methods for multiplication, squaring, and root calculations.

1. Previous experience with similar courses

- **Question:** Have you attended this kind of certificate course/workshop earlier?
- **Results:** Approximately 97% of students responded "No."
- **Comments:** This was my first experience with a Vedic Mathematics course, and it was quite unique. I had not attended a similar workshop before. The course was very insightful and new to me.

2. Impact on ability to perform

- **Question:** How will the course affect your ability to perform yourself now on?
- **Comments:** The techniques learned in this course have significantly improved my ability to perform mental calculations quickly and accurately. I feel more confident in applying mathematical concepts in everyday situations and problem-solving tasks. The course has enhanced my efficiency in handling complex calculations and has been very beneficial for my academic and professional work.

3. Coverage of syllabus

- **Question:** Is the following syllabus covered in this course?
 - How to find the date of birth of any person?
 - How to predict a person's pocket money?
 - Simple methods of multiplication
 - Criss-cross system of multiplication
 - Squaring of numbers
 - Cube roots of perfect cubes and square roots of perfect squares.
- **Results:** Students confirmed that the syllabus points were covered in the course.
- **Comments:** All the topics listed were addressed in detail, which I found very helpful. The syllabus was well-covered, though I would have appreciated more examples for some of the advanced techniques.

4. Overall rating of the course

- **Question:** How would you rate overall this certificate course in Vedic Mathematics?
- **Comments:** The course was very informative and provided a solid understanding of Vedic Mathematics techniques. I rated it highly because the course was well-structured and the content was relevant and practical. The overall experience was positive, but there's room for improvement in terms of pace and additional examples.

5. Interest in future courses

- **Question:** Would you like to organize such type of course in the future?
- **Results:** The majority of students expressed a positive interest.
- **Comments:** I would definitely be interested in similar courses in the future. They offer valuable skills that are not commonly taught. Yes, I would love to see more courses like this. It's a great way to build mathematical skills and enhance learning.

6. Suggestions for popularization

- **Question:** Do you have any suggestions for making this course more popular (one or two)?
- **Suggestions:** Promote the course through social media and educational blogs to reach a wider audience and generate more interest. Organize introductory webinars or free workshops to showcase the benefits of the course and attract potential participants.

Conclusion

The Certificate Course in Vedic Mathematics was well-received, with students appreciating the new techniques and skills gained. While most students were new to such courses, they found the content valuable and are interested in future offerings. To enhance the course's popularity, leveraging digital marketing and offering introductory sessions are recommended.

Thank you to all students for your constructive feedback. Your input is essential for the ongoing improvement and success of our courses.

Organized by

Department of Industrial Chemistry

(2023-2024)

Title of Certificate Course: - "Methods for Extraction of Medicinal Plants"

Objective: -

Gain hands-on experience: Students can learn about the process of extraction.

Understand plant chemistry: Extraction helps students learn about the chemical composition of medicinal plants and how different compounds are isolated.

Develop laboratory skills: Students can develop their laboratory skills, including measurement, filtration, and evaporation techniques.

Explore traditional medicine: Extraction can help students understand traditional medicine practices and the role of medicinal value of plants.

Research and innovation: By extracting medicinal plants, students can conduct experiments, test hypotheses, and contribute to the development of new medicinal products.

Promote sustainability: Educational extraction can highlight the importance of sustainable conservation of medicinal plants.

Enhance understanding of pharmacology: Students can learn about the pharmacological properties of extracted compounds and their potential therapeutic applications.

Support interdisciplinary learning: Extraction can integrate concepts from biology, chemistry, pharmacology, and environmental science, promoting a holistic understanding of medicinal plants.

Duration: 30 Hours

Eligibility: B.Sc. students

Brief Report-

In academic year 2022-2023 department of Industrial Chemistry conducted the Certificate Course on “Methods for Extraction of Medicinal Plants”. The course syllabus consists of Phytochemical Screening-Introduction, qualitative phytochemical analysis; Extraction methods and separation method. The syllabus has been designed as per need of course which includes five units. Theory and practical mode of teaching were applied. It was a six-day Add on course in which the knowledge about of Methods for Extraction of Medicinal Plants was given with its applications. Course was conducted duration 20/03/2024 to 27/03/2024 five hours each (total 6 day). Certificates were given to the participants after successful completion of the course.

Subject: Request for Permission to Certificate Course on "Methods for Extraction of Medicinal Plants"

Respective Sir,

I hope this letter finds you well. I am writing to seek your permission to organize Certificate Course on "Methods for Extraction of Medicinal Plants" at our esteemed college premises.

The purpose of this course is 1. To collect and to identify the medicinal plants for the study. 2. To prepare and extract the plants materials separately and in some combined preparations using a variety of solvent, like distilled water, ethanol, methanol and acetone. 3. To test phytochemical screening, extraction methods of the plant extracts. We believe it will contribute significantly to the overall development and engagement of our college community.

We assure you that all necessary arrangements and precautions will be taken to ensure the smooth conduct of the course without causing any disturbance to regular college activities.

We kindly request your approval for this initiative and would be grateful for any guidance or conditions you may have.

Thank you for considering our request. We look forward to your positive response.

Palak Yojana (Arts Faculty)
Session: 2023 -24

Objectives:

- 1) To provide individual attention to the student.
- 2) To develop a healthy relationship between students and teachers.
- 3) To provide academic and personal guidance.
- 4) Try to solve various problems of students.

Number of Beneficiaries : 172

Brief Summary :

In the session 2023-24 total 172 students admitted in the Arts faculty and 17 students were adopted by each teacher who is expected to provide academic and personal guidance to his wards and also keep in touch with the parents. The Student's progress is personally monitored by teachers through "Palak Yojna". We make it our concern that the students admitted to the institute must avail of the most and the best here. regular attendance, good academic performance can be ensured under Palak Yojana. We also try to address the personal problems of students through Palak Yojana. It is only after consistent and regular contacts with them the students open up and are willing to share their concerns. Most of the students are from outside requiring hostel facility. We can help a few students in accommodation to some extent.

Palk Yojana (Science)

Academic Year – 2023-2024

Report

Palk Yojana is an innovative scheme introduced by the college for the benefit of student.

The main objectives of this scheme are

- 1) To pay personal attention to the student.
- 2) To address various problems of student.
- 3) To provide academic and personal guidance.

The total number of students (beneficiaries): 230

Brief summary of the activity

Academic year 2023-24, total 230 numbers of students admitted in the science faculty and 13 to 16 students were adopted by every teacher (Palk) who is expected to provide academic and personal guidance to his students (Playa) and also keep in touch with his parents. The teacher personally records the student's attendance and monitors his/her progress. All the teachers make efforts to ensure their students regular attendance and improve academic performance. The teachers also help to solve their personal and financial problems through this scheme. The information/scheme received from government, university, institutes etc. is also been shared to students.

Coordination Committee Report- (2023-2024)

**Report of the Student Induction Programme, Degree Distribution Programme and
functions of the committee**

Academic Year -2023-2024

Date - :28/08/2023

Venue - : Seminar Hall

Objectives:

1. Hold Student Induction Program
2. Provide Information About Schemes, Scholarships, and Committees
3. Inform Students About the Syllabus
4. Coordinate Teaching, Learning, and Evaluations for Science, Arts, and Commerce Students and teachers.

Brief Report: -

The College conducted a Student Induction Programme for the academic year 2023-24 on 28/08/2023, catering to students from the Arts, Science, and Commerce faculties. The objectives of the induction program were to provide essential information about various college committees, student schemes, scholarship rules, and required documentation. Students received guidance on library resources, college discipline, and information from committee coordinators.

Subject teachers from the Science faculty, including those from Apiculture, Botany, Computer Science, Environmental Science, Geology, Physics, Petrochemical Science, Industrial Chemistry, Mathematics, English, Marathi, and Hindi, shared critical details with students. This included an overview of the syllabus, internal marks, practical and theory assessments, and internal assessment parameters. This comprehensive program aimed to equip students with the necessary information for a successful academic journey.

No. of participants/ Beneficiaries in Student Induction Programme: -233 students

The degree certificate distribution ceremony

On 15th March 2024, the Arts, Science & Commerce College in Chikhaldara hosted a Degree Certificate Distribution Program to celebrate the achievements of its graduating students. The event featured Miss Mukta Tekade, the esteemed Director of Ranger College, as the chief guest, highlighting the importance of collaboration and support among educational institutions.

The program was chaired by Professor Dr. U. G. Tayade, the In-Charge Principal of the college, who welcomed attendees and emphasized the significance of academic accomplishments in shaping students' futures. A total of 17 students were present to receive their degree certificates, marking a pivotal moment in their educational journey.

During the ceremony, both the chief guest and the principal addressed the audience, offering words of encouragement and advice. They highlighted the hard work and dedication required to reach this milestone and urged students to continue pursuing knowledge and excellence in their future endeavours.

The event not only recognized the students' achievements but also fostered a sense of community within the college, reinforcing the supportive environment that encourages personal and academic growth.

No. of participants/ Beneficiaries: -49

The functions of the committee

The committee addresses the following key factors of Teaching, Learning and Evaluation
Curriculum Compliance

The committee ensures that all teaching practices align with Program Outcomes (PO), Program Specific Outcomes (PSO), and Course Outcomes (CO). This alignment guarantees that the educational objectives are met and that students acquire the necessary knowledge and skills.

Remedial Teaching and Bridge course

In response to the varying needs of students, the committee ask the teachers to take up remedial teaching and bridge courses. These initiatives are designed to support students who may be struggling, ensuring they have the opportunity to grasp essential concepts.

Academic Planning

Strict adherence to the academic plan is enforced to maintain consistency and structure in curriculum delivery. This planning helps in streamlining the educational process and ensuring that all topics are covered comprehensively.

Learner Identification

The committee expects identification of both slow and advanced learners within the classroom. By recognizing these groups, teaching strategies can be adapted to meet their specific needs, ensuring all students receive appropriate challenges and support.

Addressing Cross-Cutting Issues

Wherever feasible, integration of cross-cutting issues—such as gender equality, environmental sustainability, and social justice, professional ethics, etc—into the curriculum is facilitated. This approach fosters critical thinking and awareness among students about real-world challenges.

Use of ICT

The committee encourages the effective use of Information and Communication Technology (ICT) to enhance teaching and learning experiences. By integrating technology into the classroom, teachers can provide interactive and engaging lessons.

Student Support Services

The committee plays a vital role in ensuring that students are aware of and can fully utilize available support services.

Study Materials

To enhance accessibility, the committee advocates for the development of study materials in local languages. This initiative helps bridge language barriers and allows all students to engage with the content more effectively.

Outreach programs

Promoting human values is a key focus during curriculum delivery. The committee encourages teachers to carry out various outreach programs in order to instil values such as respect, inclusiveness, patience, empathy and integrity in students, helping them become responsible and ethical individuals.
