STUDENT SATISFACTION SURVEY

Academic Year 2023-24

Analysis Report

Preamble: Student Satisfaction Survey examines the process of teaching learning and evaluation which helps assess the institution's quality status. The survey captures students' responses through the online/offline mode providing them with an objective questionnaire and one open-ended question. Analysis of the open-ended question as well as objective questions: The students are asked to give four/five observations/suggestions to improve the overall Teaching-Learning and Evaluation experience in the institution. The survey measures how satisfied the students are with their experience providing a measurable benchmark on areas such as academics, facilities, access to academic resources, the quality and availability of extra-curricular activities etc. Student satisfaction influences not only how much students enjoy their time at a college but also how well they do. Their grades, course participation, relationships with lecturers, attendance, employability etc. rely upon how much they enjoyed their time at a college and how engaged they were. Thus student satisfaction survey plays a very crucial role in promoting life at institution.

Aim of SSS: The survey aims to gather information from the students whether they are satisfied with the academic facilities and resources provided by the institution.

Objectives:

- To find out the satisfactory level of male and female students with respect to Teaching- Learning and Evaluation.
- To assess utility of academic and infrastructural resources.
- To know shortcomings if/any at institutional level.
- To improve the quality of student life and learning
- To Measure Student satisfaction and priorities.

Method of Survey:

- A reliable questionnaire is developed and put in the goggle form to collect the responses from the students through online/offline mode.
- A link is developed and put in the one of the social media i.e. WhatsApp.
- All the students are informed to fill in the Goggle Form containing questionnaire pertaining to SSS
- The procedure of filling the questionnaire is explained by the faculties in detail in advance.
- The responses are collected and analyzed properly by the experts i.e. the techno-savvy.
- All the responses are collected in excel sheet then the graphical representations and interpretations of the data are made.
- A detailed report is prepared and key recommendations are suggested.

No. of Respondents: 94

Analysis Report:

The survey conducted on student satisfaction reflects that, 90.4% students appreciate the courses offered at the college 'To a great extent', similarly 90.4% students are satisfied with the college academic and activity plan which is introduced them at the very beginning of the academic year.
