Gender Audit 2023-2024

**Prepared by
Women Development Cell**

PREFACE

Gender equality is a very significant term so far as the rights, opportunities, responsibilities, and treatment of individuals are concerned, irrespective of their gender. It is the concept that people of all genders should have equal access to resources, opportunities, responsibilities, and decision-making processes, and should not be discriminated against based on their respective gender whether they were born male or female. Gender equality is not just about benefiting women; it benefits society as a whole by fostering social and economic development, promoting peace, and creating a more just and equitable world. Achieving gender equality requires efforts at multiple levels, including policy changes, legal reforms, social awareness campaigns, and changes in cultural norms and attitudes. It's an ongoing process that requires commitment from individuals, communities, governments, and international organizations.

Gender equality addresses the historical and societal imbalances that have led to disparities between genders in various areas, like, school, college, Workplace, society, etc. This means equal treatment in terms of rights, opportunities, responsibilities, benefits, and obligations.

Though Gender equality has become a global issue, the liberation and emancipation of women are at the forefront of many worldwide campaigns. With the increasing awareness of gender issues, women are rapidly moving towards their upliftment in society. They are vigorously taking action against social discrimination, oppression of women at home and workplace, and exploitation. Therefore the gender audit was conducted to know whether the college campus is safe for girls and women. This audit comprises the respective sites, selection of participants, preparation of checklist, and the orientation of participants, thus the findings and sharing the results with the principal for the execution of further recommendations.

Introduction

Sipna Shikshan Prasarak Mandal, Amravati is established with specific goals and mission for overall development of people in Melghat, a tribal, remote and backward region in Amravati district of Maharashtra state. Melghat comprising of two tehsil places (Chikhaldara and Dharni) is hilly terrain at the northern extreme of the Amravati district of Maharashtra. The college is **permanently affiliated** to Sant Gadge Baba Amravati University, Amravati and is approved under section **2(f) and 12(b)** of the University Grants Commission (UGC) Act 1956. With the help of dedicated, enthusiastic and experienced faculty members and with modern teaching and research facilities, the college offers programmes like **B.A., B.Sc., B.Com.** with traditional & advanced subjects and **M.Sc. (Environmental Science)**. Whereas in UG science stream there are innovative subjects like **Petrochemical Science, Food Science, Apiculture, Industrial Chemistry and Environmental Science. Certificate, Value-added and Add-on Courses** are undertaken to impart employable and life skill education to the students. The gender audit is an initiative to study whether there is any gender discrimination in the college. It is an attempt to measure the implementation of government rules, regulations, and policies framed specially for the upliftment of girls and women in society. The Gender Audit has an insight into the problems of students and women working in the institute based on gender. This Audit helps to penetrate the impact of its present and proposed policies on gender equality.

Women Development Cell of Arts, Science and Commerce College, Chikhaldara reviews and analyses the operating environment. With the help of this analysis, Women Development Cell understands whether the institute is able to provide a full range of opportunities to everyone or not which come from participating in physical activities, sports, and competitions carried out by the

college or institution. The prime aim of Gender equality is to provide a wide range of activities and programmes to girls and women as per their needs, their interests, their choices, their experiences, and inclinations.

The college always emphasizes on the overall development of the students. Sensing the importance of Gender equality the girls and women are provided special attention. Women Development Cell not only concentrates on the problems encountered by the girls but also concentrates on their outstanding achievements in various sports and activities. Yoga and Meditation training are also organized. One day workshops are conducted on “Master in Tailoring: Designing Shararas and Jackets” and inspire the students about empowerment and aware them of their rights and responsibilities. Guest lectures of eminent personalities like judges, lawyers, police inspectors, tehsildar, social workers, and journalists are also organized to spread awareness about laws and by-laws among the girls. Internal Complaint Committee, and Anti-ragging Committee formed in the college. NSS and the Sports Department of the college play a very vital role in providing equal opportunities to girl students and achieving grand success therein. Similarly, the Cultural Committee of the college motivates girl students to participate in university-level Youth Festival and various competitions.

Gender Equality

2023-24

Internal Complaint Committee

- **Date** : 2 April 2024
- **Venue** : Seminar Hall, Art's, Sci. & Commerce College Chikhaldara
- **Objectives** :
 1. Promote equal to access to opportunity and education.
 2. Empower Women for better futures
 3. Eliminate gender-based violence
 4. Increase women's participants in decision making.
 5. Promote Positive gender roles.
- **Brief Report** :

Internal Complaint Committee arranges Guest lecture for the students on Gender Equality on **2nd April 2024**. Gender equality is not only a fundamental human right, but a necessary foundation for a peaceful, prosperous and sustainable world. Gender equality prevents violence against women and girls. It's essential for economic prosperity. Societies that value women and men as equal are safer and healthier.

Dr.U.R.Kokate, Coordinator of Internal Complaint Committee introduced students about importance and work of committee. **Dr.S.N.Jagtap**, member and speaker gave valuable speech on gender equality.

Dr.S.N.Jagtap, guided such points: on 'Gender equality'

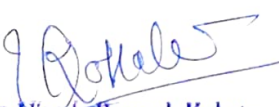

1. **Education and Awareness:** Education is the cornerstone of gender equality. We must educate ourselves and future generations about gender stereotypes and their harmful impacts. Schools and workplaces must encourage equal opportunities for all, breaking down barriers that limit individual potential.
2. **Promote Equal Pay:** Women still earn less than men for doing the same job. It is time to close the gender pay gap and ensure that wages are determined by skill and experience, not gender.

3. **End Gender-based Violence:** Gender-based violence affects millions around the world. Governments, communities, and individuals must work together to prevent violence, provide support for survivors, and hold perpetrators accountable.
4. **Support Women in Leadership:** Women must be given equal opportunities to lead, whether in business, politics, or other sectors. Diverse leadership results in better decision-making and progress for all.
5. **Encourage Men to Engage:** Gender equality is not just a women's issue; it's a human issue. Men and boys must be part of the conversation and the solution. They can be allies by challenging harmful gender norms and promoting a culture of equality.

In her speech she gave valuable information about gender equality and why it is important for society. Madam said that gender equality is a goal in itself and a prerequisite for sustainable and peaceful development. Gender equality is achieved when women, men, girls, and boys have equal rights, conditions and opportunities, and contribute to the development of society. Gender equality is essential to achieve peaceful society, with full human potential and sustainable development.

Dr. U.S. Wasnik, member of committee gave vote of thanks, and concluded the program.
