Feedback Analysis Reports

Arts, Science and Commerce College, Chikhaldara

Feedback Analysis

Academic Year 2021-2022

Preamble: -

Feedback Mechanism is the most important aspect of every educational institution. Performance of the institution is easily reflected through this mechanism. Feedback Mechanism is requisite to apprehend whether the college is performing well and imparting quality education. Keeping this view college made a policy decision to collect feedback forms all stakeholders including students, teachers, alumni and parents. It is the vision of the college to work for overall development of the people of Melghat and its mission is to provide multiple platforms to tribal and other students in order to seek their comprehensive development therefore it is necessary to know whether the students are getting better facilities, quality education and support from the college. It is a proper device and a reliable tool to understand the areas for future development. The Feedback Mechanism is the showcase of the actual quality of teaching-learning and evaluation process, enabling identification of the strengths of teaching as well as the possible improvement. Students' Feedback has been framed by Internal Quality Assurance Cell of the college considering the varied instruction styles and courses taught in different programmes. A direct link to the survey or offline feedback form is provided to the students and response is obtained from them.

Aims & Objectives:-

- To facilitate the development of self-assessment in teaching learning and evaluation process.
- To provide opportunities to close gap between current and desired performance.
- To identify areas for improvement as well as commending them for evident achievement.
- To know the strengths and weaknesses for better performance.
- To develop students' self-awareness about the institution.
- To deliver good performance and impart quality education.

Role of Stakeholders: The feedback form and Students Satisfaction Survey forms are circulated to the stakeholders i.e. students, parents, alumni and teachers. They register their responses about the various aspects of the college and give their valuable suggestion if needed.

Method of Collecting Feedback : At the end of every academic year students feedback is conducted. Duly filled feedback forms are analyzed on the basis of responses registered by the stakeholders. Report is prepared as per the analysis under various following heads;

Students' feedback on:

- Faculty member/ Teachers

- College administration
- Various activities in the college
- Library
- Laboratories

Teachers', Parents' and Alumni feedback on curriculum:

- Adequacy of curriculum
- Interdisciplinary aspects of curriculum
- Existing curriculum
- Utility of curriculum for overall development of the students
- Usefulness for professional growth, etc.

Assessment and Evaluation Strategies:

Feedback committee collects Feedbacks from all the stakeholders i.e. students, teachers, alumni and parents and analyse the overall performance in different aspects like library, laboratories, administration, various activities in the college and conduct student satisfaction survey. After making proper analysis of the registered responses report is prepared accordingly
