Language Lab Report 2017-18 to 2021-22

Comprehensive Report of Language Lab for the Year: 2017-18 to 2021-22

Language Lab software is a classroom based solution which will be installed on the computer and the content can be accessible in the respective classroom or in laboratory system. English Language becomes the default option for communication as it is spoken and understood across the global. Hence making it a good companion for travel enthusiasts. While proficient English-speaking skills appeals your resume and it can boost hiring potential. A recent survey by LinkedIn stated that CEOs and HR Directors prefer English speaking employees over other languages. English Language is not the first language for many Indians and it's a language ought to be learned. It is only taught in few English medium schools across the country; hence, a huge chunk of population never got the opportunity to learn English language, sensing this same need of the students we facilitated our college students with English Language Laboratory. As per the availability of computers in Language Lab we made time table for final year students only so that every student of the college should get benefitted from this Language while getting out of institution. Similarly at other times students from first and second year are also introduced and allowed to make its use as per availability. In the last five year except pandemic nearly one hundred ninety five students have been benefitted from Language Lab.

Total number of computers in Lab: 10 (Including Master Computer).

Software: Clarity English Success, Soft Skills & Personality Development and Clarity Snet v8.O.

Objectives of Language Lab:

1. As a support for teaching-learning of English language.
2. Strengthen the process of listening, reading, writing and speaking.
3. To provide students well equipped instruments to make them enable to learn pronunciation.
4. To let them know the various aspects of grammar of language.

5. Acquaint them to make proper use of language to deal with situations like public speaking, interviews and group discussions.
6. Help them to build their confidence and enable them to face language barriers easily.

Number of beneficiaries in the last five years : 195

Dr. U. G. Tayade addressing students.

Dr. V.H. Meshram guiding the students.

A Report
Conservation of Medicinal Plants
2017-2022

Objective :- To Conserve Medicinal Plants

Introduction :

Ethnobotany is the study of how people of a particular culture and region make use of indigenous (native) plants. Ethnobotany is a scientific discipline that comprises the study of human interaction with plants. It mainly focuses on the study of a region's plants along with the practical knowledge of those plants with the help of the traditional knowledge of local people and their culture. Edward Palmer - Father of Ethnobotany. Ethnobotany studies plants and their relationship to humans. The medical ethnobotany of India is the study of Indian medicinal plants and their traditional uses. Plants have been used in the Indian subcontinent for treatment of disease and health maintenance for thousands of years, and remain important staples of health and folk medicine for millions.

Conservation of Medicinal Plants :

Arts , Science and Commerce College Chikhaldara , Department of Botany runs Certificate Course in Ethnobotany for the students of Botany from the academic year 2013-14 . Under the title of this course the department propagate some local indigenous medicinal plants distributed in Melghat Forest , some important plants conserved are.

EDIIIL Cell in association with Sampurna Bamboo Kendr, Lawada, Distt. Amravati. (an NGO working in this area for tribal) and department of commerce, ASCC, Chikhaldara arrange Add on Course “Rakhi Making & Bamboo Craft Manufacturing” . The training workshop is organized under the theme “Earn while learn”. 'Earn while learn' is the motive behind the sale. many students Due to financial problems, are unable to concentrate on studies. This type of cell will help the students to continue their higher education with full strength. The students are taught to use various tools fluently and try making different bamboo articles. Entrepreneurship Development Cell in collaboration with Sampurna Bamboo Kendra, Lawada, Distt. Amravati (A NGO working in this field for Tribal) and Department of Commerce, ASCC had arranged training Add on Course “Rakhi Making & Bamboo Craft Manufacturing” “Bamboo Craft Manufacturing” from

28-07-2017 to 07-08-2017. This training workshop was organized under the theme of "Earn While Learn". Mr. Kshitij Shah, Convener of ED Cell, Mr. Sahdevji Shanware, Sampurna Bamboo Kendra, all the members of Cell, faculty members of commerce department and the persons from Kendra and especially Mr. Shivcharan Kottewar, Dept. of Commerce, worked hard for the success of this training workshop.

OUTPUT OF THE WORKSHOP:

- It was a good interactive workshop
- Students came to know the opportunities and prospects of learning the bamboo craft making
- They came to know about the demand of such crafts in the market
- They learn to use various instruments required for the craft making, and manufactured various beautiful crafts
- Students got the satisfaction and happiness of making something new
- Many students said that they will use this knowledge and will make use for the self employment

NEED OF SUCH TYPES OF WORKSHOPS

As we run the college in hilly and tribal area, pursuing a degree is not enough. Maximum students are from very poor economical background. Many students leave their education in middle due to economic problems.

Entrepreneurship Development & Industry Institute linkage Cell is working in the field of self employment. Such types of workshop can provide an opportunity to the student for their better future. EDIIL cell is planning for the commercial production of these types of lamps. We will provide all the facilities and kits to the students and they will manufacture the lamps. These lamps will be purchased by the cell and will be sold through its outlets. This will provide some financial help to the students and they can earn while learn

NEED OF SUCH TYPES OF WORKSHOPS

A lots of students face a economical problem , pursuing a degree is not enough. Maximum students are from very poor economical background. Many students leave their education in middle due to economic problems.

Entrepreneurship Development Cell is working in the field of self employment. Such types of workshop can provide an opportunity to the student for their better future. ED cell is planning for the commercial production of these types of bamboo articals product . We will provide all the facilities and kits to the students and they will manufacture the bamboo articals product. These bamboo articals product will be purchased by the cell and will be sold through its outlets.

This will provide some financial help to the students and they can earn while learn.

About The Society And College:

Sipna Shikshan Prasarak Mandal, Amravati is established with the specific goals and mission of overall development of the people in Melghat, a tribal, remote, hilly and backward region in Amravati and Akola district of Maharashtra state. Melghat region comprises of Chikhaldara and Dharni tahsils and part of Achalpur, Anjangaon Surji and Akot tahsil. Melghat is hilly terrain at the northern extreme of the Amravati district of Maharashtra. Melghat means 'meeting of the ghats', which describes the area as a large tract of unending hills and ravines scarred by jagged cliffs and steep climbs. It is renowned for 'Melghat Tiger Project' and 'Gugamal National Park' worldwide. Presently, the total area of the reserve is around 1677 km². The forest is tropical dry deciduous in nature, dominated by teak (Tectonagrandis). Chikhaldara is a hill station, famous tourist destination and a municipal council in Melghat. Chikhaldara is known as the 'Nandanvan of Vidarbha'. Chikhaldara is situated at an altitude of 1118 mtrs with Vairat point at 1188 mtrs. Also, it has the added dimension of being the only coffee-growing area in Maharashtra. The place has a rich variety of flora and fauna with the nature's beautiful architecture spread all over the region.

Arts, Science and Commerce College, Chikhadara, Distt. Amravati came into existence in 1996 with an intention to impart higher education to the tribal at their very door steps and ensure

their well being, growth and safety. The college is assessed and accredited by NAAC, Bengaluru with B++ grade (CGPA 2.77) in 3rd NAAC cycle. The college offers degree courses like B. A., B. Sc., B. Com with traditional and advanced subjects and M. Sc. (Environmental Science). Whereas in UG science stream there are innovative subjects like Petrochemical Science, Food Science, Apiculture, Industrial Chemistry and Environmental Science. The college run recognized research centers for the subjects Physics, Botany, Mathematics, Chemistry, Environmental Science, Marathi, Hindi, English, Political Science and Sociology. Besides this the college also runs various add-on and certificate courses. Entrepreneurship Development Cell in collaboration with Sampurna Bamboo Kendra, Lawada, Distt. Amravati (A NGO working in this field for Tribal) and Department of Commerce, ASSC has arranged **Add on Course on Bamboo Art & Craft** from 13-05-2022 to 20-05-2022. This training workshop was organized under the theme of “Earn While Learn”.

INAUGURAL FUNCTION

The inaugural function started at 11.00 am on 13-05-2022. Honorable Principal of college, Dr. Rajesh. S. Jaipurkar, presided over the ceremony. Mr. Ganesh Kanase, convener of Kendra, was on the dais. Mr. Shivcharan L. Kottewar compered the program.

The function started with lighting the lamp and ‘Poojan’ of Bharat Mata & Gadge Baba images. All the dignitaries on the dais were felicitated with bamboo crafts and bouquets.

In the beginning S. L. Kottewar, Co-Ordinator of EDIIL Cell gave introductory speech in which he told about the cell, the motive behind the establishment of the Cell and provided information about the major programs conducted by the Cell since its establishment. He also justified the need of establishment of such cells in college. He elaborated the term ‘Earn while Learn’ and the motive behind this program. Many students are unable to focus on study due to economic problems. These types of programs will help the students to continue their higher education with full force.

Mr. Ganesh Kanase told the story of Sampurna Bamboo Kedra. He summarized their work and the objectives of their organization. He also requested the students to take part in this training with full enthusiasm and explained the scope of such training.

To sum up, the chairperson of the inaugural function Dr. R. S. Jaipurkar delivered his presidential speech. He again gave assurance about any kind of help from the institution, and prayed for the success. Mr. Ashish Kanhu, faculty of commerce from ASCC presented the vote of thanks.

WORKSHOP

After tea break, the trainers from Sampurna Bamboo Kendra Mr. Sushil Dhurve & Mr. Gorelal Ahiriya, started the workshop. The bamboo pieces, all the require instruments were brought with the help of Kendra.

Every day the participants were trained by the instructors from 11.00 am to 5.00 pm. Each day of training was used to start and end with the prayer of motivation. The students learned to use the various instruments fluently and created many crafts from bamboo.

VALEDICTORY FUNCTION

The Valedictory function started at 4.00 pm on 20-05-2022. Dr. R. S. Jaipurkar, Principal, Mr. Ganesh Kanase, convener of Kedra, Mr. Shivcharan Kottewar were on the dias. Mr. P. M. Kute compeered the program.

The function started with lighting the lamp and 'Poojan' of Bharat Mata & Gadge Baba images. All the dignitaries on the dias and the trainers were felicitated with bouquets.

In the beginning Mr. Kottewar, gave introductory speech in which he told about the 'Earn and Learn' scheme. He justified the need of establishment of such scheme in the college. He highlighted the fact that many students were unable to focus on study due to economic problems. He assured that the program could help the students in earning while learning which would help them to continue higher education with full force. Mr. P. M. Kute, member of ED Cell presented the vote of thanks. Shivcharan Kottewar, Dr. D. S. Hedao, Dr. K. N. Shaha, Dr. P. M. Kute, Dr. N. J. Surayvanshi contributed for the success of the workshop. About 20 students registered for this workshop and completed the training successfully.

OUTPUT OF THE WORKSHOP:

- It was a fully interactive workshop
- Students came to know the opportunities and prospects of learning the bamboo craft making
- They came to know about the demand of such crafts in the market

- They learned to use various instruments required for the craft making, and manufactured various beautiful crafts
- Students could feel the satisfaction and happiness through making something new
- Many students said that they will use this knowledge to seek the self employment

Mr. Shivcharan L Kottewar, Co-Ordinator of EDIIL Cell, Mr. Ganesh Kanase, Mr. Sushil Dhurve & Mr. Gorelal Ahiriya, Sampurna Bamboo Kendra, Lawada Tq. Dharani Dist. Amaravati all the members of Cell, faculty members of commerce department and the trainer from Kendra and especially Mr. Shivcharan Kottewar, Dept. of Comm. worked hard for the success of this training workshop.

NEED OF SUCH TYPES OF WORKSHOPS

As the college runs in hilly and tribal area, pursuing a degree is not enough for students. Maximum students are from very poor economical background. Many students leave their education halfway due to economic problems.

Entrepreneurship Development Cell has been working in the field of self employment. Such types of workshop can provide an opportunity to the student for their better future. EDIIL cell is planning for the commercial production of these types of lamps. We wish to provide all the facilities and kits to the students so that they manufacture the lamps. These lamps will be purchased by the cell and will be sold through various outlets.

This will provide some financial help to the students and they can earn while learn.

Name of the extension activity:- “Awareness about Non-Conventional
Energy”

Objective:-

- To create awareness regarding use of Non-Conventional energy Sources.
- To encourage students to become good citizens of nation through their participation.
- To create awareness among society about use of Non-Conventional Energy and its benefit .

Number of visitors – 250-350

Brief Report:-

Natural resources like wind, tides, solar, biomass, etc generate energy which is known as “non-conventional resources”. These are pollution free and hence we can use these to produce a clean form of energy without any wastage. They help in reducing global warming because no carbon dioxide or dust is produced in the process of energy generation. This makes them environment friendly too.

Department of Industrial Chemistry organized Energy Awareness Programme as its extension activity. Energy conservation is the act of using energy in a more efficient and effective manner. While any form of energy may be conserved, electricity is the type most commonly referred to in connection with conservation. Consumers are often poorly informed of the savings of energy efficient products. In academic session 2017-18 Department of Industrial

2. To study the basic facility for development of tourism.
3. To review the security of tourist sport.
4. To study the assistant of local businessman and people for tourism.
5. To study the policies formulated for tourism business development and extension.

Number of Beneficiaries : 04 Students (B.Com- III Year) & All people in Melghat

Brief summary :

Tourism business is a significant business with respect to employment and income generation, the contribution of this business as a source of growth and prosperity is significant. This business helped in social and economic development and changed a lifestyle of the people residing in tourist destination. It helps in creating demand for the services essentials for tourist accommodation food, transportation, entertainment and result in increment of income Hence this subject is selected for the research.

➤ **We found the following shortcomings about chikhaldara noted by the tourist.**

1. Chikhaldara lacs basic facilities for tourism as opined by most of the tourist.
2. It lacs even entertainment facilities.
3. The places of tourism attraction are not managed properly is the another complaint.
4. The government garden lacs various games, sports, etc that could be enjoyed by children.

5. Tourists also expect more cooperation from local hotel managements, administration and vehicle owners.

➤ **The following are the recommendations.**

1. Roads, conveyance facilities and toilets must be developed up to the mark.
2. There must be a theatre where musical events play, movies, some video clips on tribal culture, etc could be made available.
3. The places of attraction should be maintained in the best possible way.
4. Several games, toys, fountains, etc should be made available in the government garden.

Project Survey Report

Year: 2019-20

Title of Activity: Production and Marketing of Milk in near by Chikhaldara area

Date : 01 July 2019 to 31 March 2020

Objectives :

1. To study milk production in Chikhaldara area.
2. To understand the problems of milk producers in study area and propose remedies about them.
3. To study the employment generated by milk producer

Number of Participants: i) Students participants: 05

ii) Local Participants: 40

iii) Teacher participants: 01

Brief Summary :

Milk production is a significant profession as a source of earning and livelihood of inhabitant of Melghat region. Milk production has big contribution in boosting economy of tribal of this region. This profession helps in the development of different aspects like, socio economic and environment, etc. It also upgrades the standard of living of the society. Aladoh, Shahapur, Pandhari, Lawada, were the villages selected for this survey these villages are in Chikhaldara tehsil. We suggested them to create their own brand and adopt attractive ways to establish and promote it. Further we suggested deep fridge to store and carry milk to distant markets.

➤ **Prime Finding : -**

- 1) It is clear that the milk producer sell their milk to hotels and households.
- 2) There is a lack of basic infrastructure facilities like transportation system, food for animal and milk dairy.

➤ **Recommendation:-**

- 1) For the sale of milk their should be permanent milk dairy facility.
- 2) Government should announce fare price of milk so that milk sellers get a fare price.
- 3) Government should arrange some pieces of land for grazing.
- 4) Further as was noticed we suggested deep fridge to store and carry milk to distant markets.
- 5) We suggested milk sellers to create their own brand and adopt attractive ways to establish and promote it.
