Brief Information:

Internal Quality Assurance Cell (IQAC) of Arts, Science and Commerce College, Chikhaldara, organized a Webinar on "PLATFORMS FOR RESEARCH PUBLICATION" for the teaching faculties of the College, students of M.Sc. (Environmental Science) and Research Scholars. The resource person was Dr. Dinesh Dayaram Khedkar, Professor, Department of Botany, Shri Shivaji Science College, Amravati. The Chairperson for the programme was Dr. R.S. Jaipurkar, Ex. Pro. V.C. and Principal, of the College. The points covered by the Resource Person are-

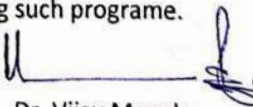

"Meaning of Research, Research Process, Pin points in Research Publications, Research output, Research Types, Approaches, Systematic review, Ethical Issues, Digital Tools, Trend of Research etc".

Acknowledgement:

I am thankful to Dr. R.S. Jaipurkar, Principal of the College, for his permission and guidance to conduct such programme. I am thankful to Dr. Dinesh Khedkar, for such a nice and very knowledgeable presentation. I am also grateful to Dr. V.D. Kapse, Coordinator, IQAC, for his kind support, I am thankful to all participants, including Professors, Research Students and students of M.Sc. Environmental Science. Specially thanks to Shri Anand Dhage, for his technical support while conducting such programme.

Entrepreneurship Development Cell in collaboration with Sampurna Bamboo Kendra, Lawada, Distt. Amravati (A NGO working in this field for Tribal) and Department of Commerce, ASCC had arranged training workshop on "Bamboo Craft Manufacturing" from 13-05-2022 to 20-05-2022. This training workshop was organized under the theme of "Earn While Learn".

Mr. Shivcharan L Kottewar, Co-Ordinator of EDIIL Cell, Mr. Ganesh Kanase, Mr. Sushil Dhurve & Mr. Gorelal Ahirya, Sampurna Bamboo Kendra, Lavada Tq. Dharani Dist. Amravati all the members of Cell, faculty members of commerce department and the persons from Kendra and especially Mr. Shivcharan Kottewar, Dept. of Comm. worked hard for the success of this training workshop.

INAUGURAL FUNCTION

The inaugural function started at 11.00 am sharp on 13-05-2022. Honorable Principal of college, Dr. Rajesh. S. Jaipurkar, presided over the ceremony. Mr. Ganesh Kanase, convener of Kendra, on the dias. Mr. Shivcharan L. Kottewar compered the program.

The function started with lighting the lamp and 'Poojan' of Bharat Mata & Gadge Baba images by giving floral tributes. All the dignitaries on the dais were felicitated by offering bamboo crafts and bouquet.

In the beginning S. L. Kottewar, Co-Ordinator of EDIIL Cell gave introductory speech in which he told about the cell, the motive behind the establishment of the Cell and provided information about the major programs conducted by the Cell since its establishment. He also justified the need of establishment of such cells in college. He elaborate the term 'Earn while Learn' and put the motive behind this program. Many students are unable to focus on study due to economic problems. These types of programs will help the students to continue their higher education with full force.

Mr. Ganesh Kanase told the story of Sampurna Bamboo Kedra. He summarized their work and the objectives of his organization. He also requests the students to take part in this training with full enthusiasm and explain the scope of such training.

To sum up, the chairperson of the inaugural function Dr. R. S. Jaipurkar delivered his presidential speech. He again gave assurance about any kind of help from the institution, and prayed for the success. Mr. Ashish Kanhu, faculty of commerce from ASCC presented the vote of thanks.

WORKSHOP

After tea break, the trainers from Sampurna Bamboo Kendra Mr. Sushil Dhurve & Mr. Gorelal Ahiriya ,started the workshop. The bamboo pieces, all the require instruments were brought with the help of Kendra. Every day the participants were trained by the instructors from 11.00 am to 5.00 pm. Each day of training was used to start and end with the prayer of motivation. The students were learned to use the various instruments fluently and create many crafts from bamboo. During the training students manufactured the bamboo craft making

VALEDICTORY FUNCTION

The Valedictory function started at 4.00 pm sharp on 20-05-2022. Dr. R. S. Jaipurkar, Principal, Mr. Ganesh Kanase, convener of Kedra, Mr. Shivcharan Kottewar were on the dias. Mr. P. M. Kute compeered the program.

The function started with lighting the lamp and 'Poojan' of Bharat Mata & Gadge Baba images by giving floral tributes. All the dignitaries on the dias and the trainers were felicitated by offering bouquets.

In the beginning Mr. Kottewar, gave introductory speech in which he told about the 'Earn and Learn' scheme. He also justified the need of establishment of such scheme in the college. He elaborate the term 'Earn while Learn' and put the motive behind this program. He enlightens the

fact that many students are unable to focus on study due to economic problems. He assured that the program will help the students in earning some money while learning which will help him to continue their higher education with full force. Mr. P.M. Kute, member of ED Cell presented the vote of thanks. Shivcharan Kottewar, Dr. D.S. Hedao, Dr. K.N. Shaha, Dr. P.M. Kute, Dr. N.J. Surayvanshi contributed for the success of the workshop. About 20 students registered for this workshop and completed the training successfully.

OUTPUT OF THE WORKSHOP:

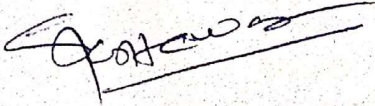

- It was a good interactive workshop
- Students came to know the opportunities and prospects of learning the bamboo craft making
- They came to know about the demand of such crafts in the market
- They learn to use various instruments required for the craft making, and manufactured various beautiful crafts
- Students got the satisfaction and happiness of making something new
- Many students said that they will use this knowledge and will make use for the self employment

NEED OF SUCH TYPES OF WORKSHOPS

As we run the college in hilly and tribal area, pursuing a degree is not enough. Maximum students are from very poor economical background. Many students leave their education in middle due to economic problems.

Entrepreneurship Development Cell is working in the field of self employment. Such types of workshop can provide an opportunity to the student for their better future. ED cell is planning for the commercial production of these types of lamps. We will provide all the facilities and kits to the students and they will manufacture the lamps. These lamps will be purchased by the cell and will be sold through its outlets.

This will provide some financial help to the students and they can earn while learn.

Summary of the programme : A National Webinar on 'National Education Policy- 2020' was organized by the Department of Political Science, Arts, Science and Commerce College, Chikhaldara run by Sipna Shikshan Prasarak Mandal, Amravati. The mode of the webinar was online. The college is celebrating its Silver Jubilee Year. On the occasion, various programs have been organized through the Silver Jubilee Committee of the College. As a part of this, Shiksha Sanskriti Utthan, Trust New Delhi and Arts, Science and Commerce College, Chikhaldara jointly organized a National Webinar on 21st January 2022. The topic of webinar was 'National Education Policy 2020- Commitment to Implementation'. Mr. Atulji Kothari alias Bhaiji , Secretary, Shiksha Sanskriti Utthan Nyas, New Delhi was the keynote speaker and facilitator. In this, the policy is India-centric and is the third education policy of independent India, and many changes have been made for the purpose of holistic development, he said. He also added that through Academic Credit Bank, students can get admission from one college or university to another. Many colleges will be given autonomy on the basis of grades they will get through their assessments. Courses in English as well as local languages will be available in the medium of instruction. Education will be imparted in

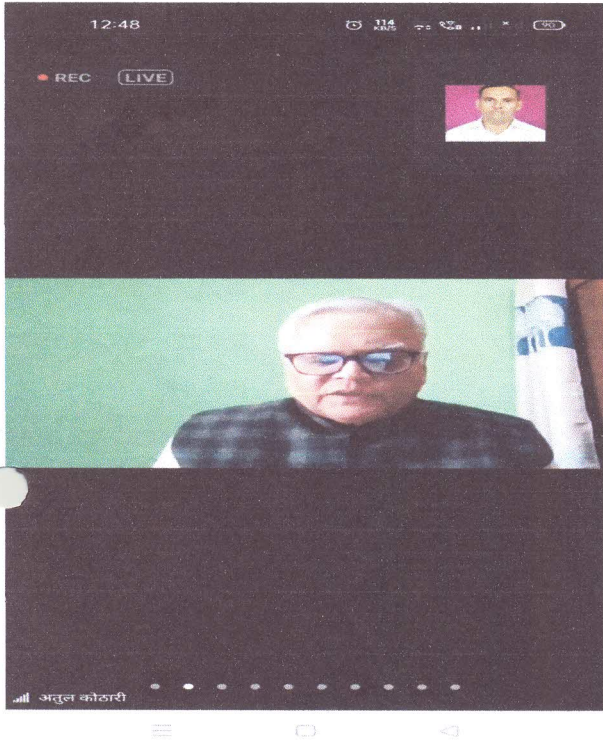

Indian knowledge by combining modern and ancient knowledge. Therefore, becoming fully Indian is the core objective of the National Education Policy. Atulji Kothari congratulated the organizers for organizing the webinar on National Education Policy -2020. Speaking from the presidency of this National Webinar, Dr. Ravindraji Kadu, Secretary Sipna Shikshan Prasarak Mandal, Amravati, Senate Member of Sant Gadge Baba Amravati University, Amravati and also President of Western Regional Committee National Council of Teachers Education asserted, "The education which is useful for solving local problems in various fields is important now a days". He mentioned the important provisions made in the New Education Policy by giving evidence of ancient Indian and British teaching methods. At the beginning of the webinar, Principal of the college and former Vice-Chancellor of Sant Gadge Baba Amravati University Amravati, Dr. Rajeshji Jaipurkar in his introductory speech explained the role of webinar organization. The college is operating in remote tribal areas and has completed successful twenty five years of establishment as well as being awarded B ++ Grade for the third time by NAAC, Bangalore. The college is known for its featured course subjects and various activities for the students. He said that the purpose of organizing webinars on important topics like National Education Policy 2020 was to create awareness about education and bring new coordination. The webinar was attended by total 204 teachers and students from various colleges and universities of Maharashtra as well as states like Madhya Pradesh, Uttar Pradesh, Uttarakhand, Jharkhand, Haryana, Delhi, etc. Dr. Shantaram Chavan, Convener and Head of Political Science department compeered the programme while Dr. Nandkishor Suryawanshi, Convener, Silver Jubilee Committee expressed the vote of thanks. Shri. Anand Dhage and Shri. Shashikant Nair provided technical support. E- Certificates were issued to everyone who registered and participated. The teachers and non-teaching staff of the college contributed a lot for the success of the webinar. The Chief Speaker answered to the questions asked by the participants. It was a workshop organized by the Department of Economics and Internal Quality Assurance Cell (IQAC) of college. The workshop was arranged by keeping the above mentioned objectives in mind. It was for all the teaching staff of college. **Mr. Balkrishna Mahajan**, Assistant Professor, Department of Economics, Arts, Science & Commerce College, Chikhaldara was the resource person. **Dr. R.S. Jaipurakar** was the chairperson of the workshop and the program was anchored by **Dr. Kshitij N. Shah**, Associate Professor, Department of Food Science, ASC College, Chikhaldara. **Dr. U.G. Tayde**, Professor, Department of English, ASC College, Chikhaldara was offered the vote of thanks.

The program was in Physical mode and started on 12.15 P.M sharp. Dr. Shah welcomed all the guests, dignitaries, and participants. After that he gave the short introduction regarding the motive behind the organizing the program and gave a short introduction of the resource person of the program.

Resource person of the program then took the charge of the workshop and very nicely introduced the various tools of E-content development. He then elaborated the concept of learning centric classroom. He then explained the Screen-rec. app in detailed. He gave the introduction of the app and demonstrated its use practically. He demonstrated How to create videos . He nicely told each and every step in between. The workshop was very informative and practical. All the teachers are satisfied from his presentation and asked the queries to the resource person and he also gave the satisfactory response to the queries.

Dr. R.S. Jaipurkar gave his short but valuable guidance in his presidential address. Dr. Dr. U.G. Tayde gave the vote of thanks.

Dr. R.S. Jaipurkar.

**Report of
State level webinar on “e-Administration Work System at HEIs”**

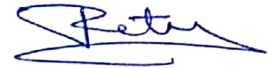

- Date : 31/07/2021
- Objectives : To impart the knowledge of E-Administration to the employees working at senior colleges.
- Brief Report : The state level workshop was organized on e-Administration Work System at HEIs. Hon'ble Dr. R. S. Patil, Principal, S. I. Arts, J. B. Patel Science and S.T.K.V.S. Commerce College, Shahada (MS) inaugurated the workshop with inspiring inaugural speech. Hon'ble Dr. R. S. Jaipurkar, Pro-Vice Chancellor, S.G.B. Amravati University, Amravati pointed out the importance of e-administration in the present scenario. Resource person of the programme Dr. Sulabha Patil, Dy. Registrar, S.G.B. Amravati University, Amravati threw light on the various aspects of e-Administration Work System at HEIs through her expert discourse. The webinar was presided over by Dr. V. R. Patil, In-charge Principal of the college. More than 287 employees from various colleges in state participated in this workshop.
- No. Participants : 287

About 272 students registered for this workshop and completed the training successfully.

OUTPUT OF THE WORKSHOP:

- It was a good interactive workshop
- Students came to know the opportunities and prospects of learning the bamboo craft making
- They came to know about the demand of such crafts in the market
- They learn to use various instruments required for the craft making, and manufactured various beautiful crafts
- Students got the satisfaction and happiness of making something new
- Many students said that they will use this knowledge and will make use for the self employment.

NEED OF SUCH TYPES OF WORKSHOPS

A lots of students face a economical problem , pursuing a degree is not enough. Maximum students are from very poor economical background. Many students leave their education in middle due to economic problems.

Entrepreneurship Development Cell is working in the field of self employment. Such types of workshop can provide an opportunity to the student for their better future. ED cell is planning for the commercial production of these types of bamboo articals product . We will provide all the facilities and kits to the students and they will manufacture the bamboo articals product. These bamboo articals product will be purchased by the cell and will be sold through its outlets.

This will provide some financial help to the students and they can earn while learn.

About The Society And College:

Sipna Shikshan Prasarak Mandal, Amravati is established with the specific goals and mission of overall development of the people in Melghat, a tribal, remote, hilly and backward region in Amravati and Akola district of Maharashtra state. Melghat region comprises of Chikhaldara and Dharni tahsils and part of Achalpur, Anjangaon Surji and Akot tahsil. Melghat is hilly terrain at the northern extreme of the Amravati district of Maharashtra. Melghat means 'meeting of the ghats', which describes the area as a large tract of unending hills and ravines scarred by jagged cliffs and steep climbs. It is renowned for 'Melghat Tiger Project' and 'Gugamal National Park' worldwide. Presently, the total area of the reserve is around 1677 km². The forest is tropical dry deciduous in nature, dominated by teak (Tectonagrandis). Chikhaldara is a hill station, famous tourist destination and a municipal council in Melghat. Chikhaldara is known as the 'Nandanvan of Vidarbha'. Chikhaldara is situated at an altitude of 1118 mtrs with Vairat point at 1188 mtrs. Also, it has the added dimension of being the only coffee-growing area in Maharashtra. The place has a rich variety of flora and fauna with the nature's beautiful architecture spread all over the region.

Arts, Science and Commerce College, Chikhadara, Distt. Amravati came into existence in 1996 with an intention to impart higher education to the tribal at their very door steps and ensure

their well being, growth and safety. The college is assessed and accredited by NAAC, Bengaluru with B++ grade (CGPA 2.77) in 3rd NAAC cycle. The college offers degree courses like B. A., B. Sc., B. Com with traditional and advanced subjects and M. Sc. (Environmental Science). Whereas in UG science stream there are innovative subjects like Petrochemical Science, Food Science, Apiculture, Industrial Chemistry and Environmental Science. Subject: Letter of appreciation

Respected Madam,

We are highly impressed and enlightened by your valuable sharing on the A Webinar on "Introduction to Indexing Techniques used in Research Publications" held online on 30th August 2020 (Time: 1.00 pm – 3.00 pm), which will immensely help us improve ourselves in this regard. We appreciate your guidance and tips for publications of research articles in reputed journals and Indexing techniques. We hope the same co-operation and help in future as well.

Thanking you.

Sincerely

National webinar:

The national level webinar on “Recent Advances In Nanomaterials-2020” (RAIN-2020) was organized by the Department of Physics, Arts, Science and Commerce College, Chikhaldara, Distt.: Amravati (Maharashtra State) by making use of Zoom and Youtube platforms. The formal inaugural function started with the introductory speech by the Organizing Committee Convener Dr Vivek D. Kapse, Head, Department of Physics followed by the welcome speech by Dr. V. R. Patil, Principal of the college. The function was presided over by the Hon’ble Dr. Ravidraji Kadu, Secretary, Sipna Shikshan Prasarak Mandal, Amravati. Hon’ble Dr. F. C. Raghuwanshi, Dean, Faculty of Science and Technology, S.G.B. Amravati University, Amravati inaugurated the workshop with a thought provoking and inspiring inaugural speech. The keynote speaker of the webinar, Prof. Dr. D. Haranath, Department of Physics, NIT, Warangal (Telegana State) delivered a talk on the topic “Biomaterials And Their Applications For Better Tomorrow”.

The first technical session on the topic, “Scenario of Synthesis Route Techniques For Nanomaterials" was handled by Prof. Dr. S. J. Dhoble, Department of Physics, R. T. M. Nagpur University, Nagpur with a demonstration speech and a very healthy interactive session with the participants. Dr. S. A. Waghuley, Department of Physics, S.G.B. Amravati University, Amravati (Maharashtra State) chaired the first technical session.

Dr. D. K. Chaudhary, Prof. Rajendra Singh Institute of Physical Sciences for study and research, Veer Bahadur Singh Purvanchal University, Jaunpur was the Resource person

in the 2nd technical session. He delivered his invited lecture with the support of a well prepared power point. The topic of the second technical session was "Quantum Dots In Perovskite Solar Cells: Impact On Efficiency And Stability". The queries of the participants were clarified by the Resource Person in the interactive session. Dr. N. R. Pawar, Department of Physics, Arts, Commerce and Science College, Maregaon (Maharashtra State) chaired the second technical session. Dr. G. R. Dhokane conducted the technical sessions. Finally, after the valedictory session, feedback from the participants was received and the webinar was concluded.

The organizers are proud to declare that a total of 479 teachers registered and participated in the webinar and it was a great success.

The organizing committee is extremely thankful to Hon'ble Shri. Jagdishji Gupta, President, Sipna Shikshan Prasarak Mandal, Amravati, Hon'ble Dr. Ravidraji Kadu, Secretary, Sipna Shikshan Prasarak Mandal, Amravati, In-Charge Principal Dr. V.R. Patil and the members of organizing committee for their support at various levels. The Convener expresses heartfelt thanks to the continuous co-operation and support of the Research Scholars of Department of Physics, Arts, Science and Commerce College, Chikhaldara.

About the college:

Sipna Shikshan Prasarak Mandal, Amravati is established with the specific goals and mission of overall development of the people in Melghat, a tribal, remote and backward region in Amravati district of Maharashtra state. Melghat comprising of two tehsil places (Chikhaldara and Dharni) is hilly terrain at the northern extreme of the Amravati district of Maharashtra. Melghat means 'meeting of the ghats', which describes the area as a large tract of unending hills and ravines scarred by jagged cliffs and steep climbs. It is renowned for 'Melghat Tiger Project' and 'Gugamal National Park' worldwide. Presently, the total area of the reserve is around 1677 km². The forest is tropical dry deciduous in nature, dominated by teak (Tectonagrandis). Chikhaldara is a Hill Station and a municipal council in Melghat. Chikhaldara is the sole hill resort in the region assumed to be the 'Nandanvan' of Vidharbha, is situated at an altitude of 1118 m with highest Vairat point 1188 m and has the added dimension of being the only coffee-growing area in Maharashtra. The place has a rich variety of flora and fauna with the nature's beautiful architecture spread all over the region. Arts, Science and Commerce College, Chikhadara, Distt.: Amravati came into existence in 1996 with an intention to impart higher education to the tribal at their very door step and ensure their well being, growth and safety. The college offers degree courses like B. A., B. Sc., B. Com with traditional and advanced subjects and M. Sc. (Environmental Science). Whereas in UG science stream there are innovative subjects like Petrochemical Science, Food Science, Apiculture, Industrial Chemistry and Environmental Science. The college run recognized research centers for the subjects Physics, Botany, Mathematics, Chemistry, Environmental Science, Marathi, Hindi, English, Political Science and Sociology. Besides this the college also runs various add-on and certificate courses.

Online Workshop on Online Platforms/Tools for TLE

Date: 21-12-2020

Objectives: To provide information to the participants regarding online available and easily accessible platforms and tools for effective teaching learning and evaluation processes

Brief Report:

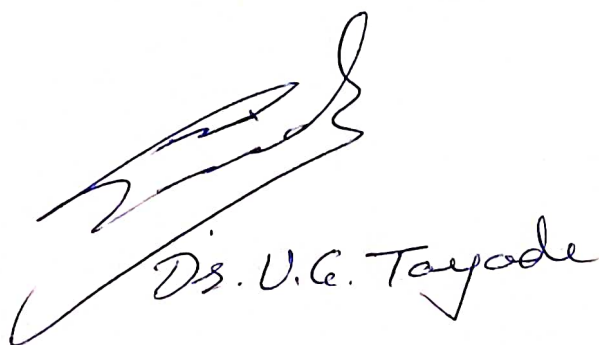

For Teaching, non-teaching Staff and all students of the college, an Online Zoom Meeting App workshop on **Online Platforms/Tools for Teaching Learning Evaluation** was organized to share information and knowledge regarding available online platforms/ tools and applications for the TLE processes on 21 st December, 2020. The workshop was organized by IQAC under Criterion II of NAAC. Dr Rajesh Bhojar, Assistant Professor in the Dept. of Computer Science, Sant Gadge Baba Amravati University, Amravati was invited as a speaker to address the topic of the workshop into two technical sessions. The teaching, non-teaching Staff and students of the college benefitted from this workshop.

One day state level workshop
Effective Laboratory Management Skills

Date : - 09th November 2020

Venue : - Online (Zoom & YouTube)

Objectives :-

- To create awareness about the potential among non-teaching to contribute for the betterment of an institution as well as society.
- To explain how non-teaching staff make a difference in servicing students and the institution.
- To explain need for 'change' through training that will help institution function better.
- To discuss the need for and the nuances involved in management information system and say how it contribute to uplift the institution.

Brief Report:-

Sipna Shikshan Prasarak Mandal Amravati's Arts, Science and Commerce, College, Chikhaldara, District: Amravati, organized various workshops on the auspicious occasion of silver jubilee year of the college and as a part of its regular activities. IQAC of the college organized online workshop on "Effective laboratory management skills" for laboratory staff on 09th November 2020.

The workshop was inaugurated by Hon'ble Dr. Ravidraji Kadu, President, NCTE, Western Region, Ministry of Education, Govt. of India, and New Delhi and Secretary, Sipna Shikshan Prasarak Mandal, Amravati. In his inaugural address Dr. Ravindraji Kadu explained the objective of the society in opening the college in Melghat tribal region and the purpose of organizing the workshop for the laboratory staff.

The keynote speaker of the workshop was Hon'ble Dr. S. K. Omanwar, Former Head, Department of Physics, Sant Gadge Baba Amravati University, Amravati. He expressed his views that, this is the first time that the national level workshop for laboratory

attendants has been organized in Vidarbha by Sipna Shikshan Prasarak Mandal, Amravati is an example of a very grassroots levelwork. He threw light on many important things like, equipment maintenance and safety, research laboratory context guidance, written and oral communication skills, good teamwork and time management. The other resource person of the workshop was Hon'ble Prof. A. N. Dongre, Dept. of Geology, Savitribai Fule Pune University, Pune. He also shared his thoughtful experience.

First Step

Dream is not that which you see while sleeping, it is something that does not let you sleep.

Dreaming is the first step towards achieving a goal.

Lab activity- A tool for real growth.

12

- The health of science & Technology subject education is fully dependent on the lab activity.
- This is possible only when, we observe, the necessary ethics for laboratory management and skills for improving ground reality, we need a very much active lab activity by the students.
- Few key aspects for today's discussions

Creativity & Innovation

23

Creativity is seeing the same thing but thinking differently.

Creativity is related to imagination and imagination is related to innovation. Innovation itself is unique for everyone that conceives a fresh idea and converts the idea into a successful business.

Story of 4 - Bodies

26

- Story of 4 people named as **Everybody**, **Somebody**, **Any body** & **Nobody**.
- There was an important job to be done.
- **Everybody** was sure that **Somebody** would do it.
- **Any body** could have done it.
- Now **Somebody** got angry about that because it was **Everybody's** job.
- **Everybody** thought **Any body** could do it, but **Nobody** realized that **Everybody** would not do it.
- It ended up that **Everybody** blamed **Somebody** when **Anybody** did what **Everybody** could have done.

National Level Webinar on **Best Practices In Laboratory Safety Management**

Date: 26th December 2020 (11.00 am – 01.30 pm)

About the college:

Sipna Shikshan Prasarak Mandal, Amravati is established with the specific goals and mission of overall development of the people in Melghat, a tribal, remote and backward region in Amravati district of Maharashtra state. Melghat comprising of two tehsil places (Chikhaldara and Dharni) is hilly terrain at the northern extreme of the Amravati district of Maharashtra. Melghat means 'meeting of the ghats', which describes the area as a large tract of unending hills and ravines scarred by jagged cliffs and steep climbs. It is renowned for 'Melghat Tiger Project' and 'Gugamal National Park' worldwide. Presently, the total area of the reserve is around 1677 km². The forest is tropical dry deciduous in nature, dominated by teak (*Tectonagrandis*). Chikhaldara is a Hill Station and a municipal council in Melghat. Chikhaldara is the sole hill resort in the region assumed to be the 'Nandanvan' of Vidharbha, is situated at an altitude of 1118 m with highest Vairat point 1188 m and has the added dimension of being the only coffee-growing area in Maharashtra. The place has a rich variety of flora and fauna with the nature's beautiful architecture spread all over the region. Arts, Science and Commerce College, Chikhadara, Distt.: Amravati came into existence in 1996 with an intention to impart higher education to the tribal at their very door step and ensure their well being, growth and safety. The college offers degree courses like B. A., B. Sc., B. Com with traditional and advanced subjects and M. Sc. (Environmental Science). Whereas in UG science stream there are innovative subjects like Petrochemical Science, Food Science, Apiculture, Industrial Chemistry and Environmental Science. The college run recognized research centers for the subjects Physics, Botany, Mathematics, Chemistry, Environmental Science, Marathi, Hindi, English, Political Science and Sociology. Besides this the college also runs various add-on and certificate courses.

Entrepreneurship Development Cell had arranged One week training workshop on "Bamboo Patti Rangkam v Rakhi Manufacturing" from 08-08-2019 to 14-08-2019. This training workshop was organized as a part of "Earn While Learn" scheme. Rakhi festival is celebrated throughout India. There is a good demand of rakhi made by handmade paper, colorful thin strips of bamboo, called bamboo patti and other accessories like ornamental beads & laces. Keeping this in mind the workshop was arranged. In the first part of training, the trainers from ,taught the students about how to color the bamboo strips by using natural colors. In the second part the students learned to cut the bamboo strips and then made the rakhi using the raw materials. About 05 students participated in the workshop and made beautiful rakhis. We tried to sell these rakhi. Many of our staff purchased these rakhi. Sampurna Bamboo Kendra provided all the technical assistance and the raw material. Next year we will try to make these rakhi in advance well prior to the festival 'Raksha Bandhan', and try to sell the produce on large scale so that the students will get more profit. Coordinator of ED Cell Mr. S.L. Kottewar & all the members of cell, from commerce department with his colleagues worked for the success of the program.

Name of the extension : *“Interactive Session on SWAYAM & MOOCs for Teaching Staff Members”*

OBJECTIVES

- *To make aware of Online Courses through SWAYAM & MOOCs.*
- *To guide about enrolling themselves for their refresher courses.*
- *To enhance their knowledge by using courses on SWAYAM Portal .*

Number of beneficiaries : 13 teachers from B.A., B.Com.,
and B.Sc.

Duration : 1Days

Date : 29th January, 2019

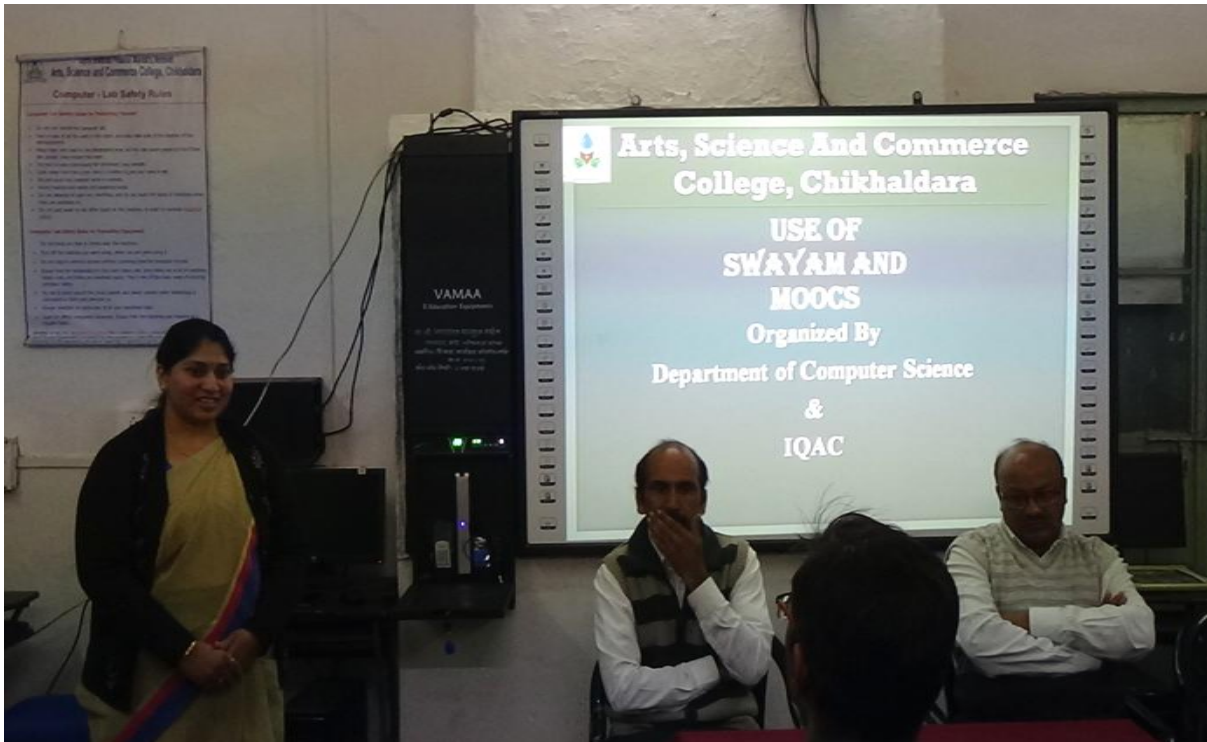

Brief summary of the programme : Swayam and MOOCs are the online portals provided by Government (MHRDC)and UGC. These courses are free online courses for all over world.SWAYAM is an instrument for self-actualizationproviding opportunities for a life-long learning. SWAYAM presents a unique educational opportunity to expand the horizons of knowledge.

A massive open online course (MOOC) is an online course aimed at unlimited participation and open access via the web. In addition to traditional course materials, such as filmed lectures, readings, and problem sets, many MOOCs provide interactive courses with user forums to support community interactions among students, professors, and teaching assistants (TAs), as well as immediate feedback to quick quizzes and assignments. MOOCs are a recent and widely researched development in distance education, first introduced in 2006 and emerged as a popular mode of learning in 2012.

This way Department of Computer Science in collaboration with IQAC carried out the workshop successfully.

EDIIL Cell in association with Sampurna Bamboo Kendr, Lawada, Distt. Amravati. (an NGO working in this area for tribal) and department of commerce, ASCC, Chikhaldara arrange Add on Course “Rakhi Making & Bamboo Craft Manufacturing” . The training workshop is organized under the theme “Earn while learn”. 'Earn while learn' is the motive behind the sale. many students Due to financial problems, are unable to concentrate on studies. This type of cell will help the students to continue their higher education with full strength. The students are taught to use various tools fluently and try making different bamboo articles. Entrepreneurship Development Cell in collaboration with Sampurna Bamboo Kendra, Lawada, Distt. Amravati (A NGO working in this field for Tribal) and Department of Commerce, ASCC had arranged training Add on Course “Rakhi Making & Bamboo Craft Manufacturing” “Bamboo Craft Manufacturing” from

28-07-2017 to 07-08-2017. This training workshop was organized under the theme of "Earn While Learn". Mr. Kshitij Shah, Convener of ED Cell, Mr. Sahdevji Shanware, Sampurna Bamboo Kendra, all the members of Cell, faculty members of commerce department and the persons from Kendra and especially Mr. Shivcharan Kottewar, Dept. of Commerce, worked hard for the success of this training workshop.

OUTPUT OF THE WORKSHOP:

- It was a good interactive workshop
- Students came to know the opportunities and prospects of learning the bamboo craft making
- They came to know about the demand of such crafts in the market
- They learn to use various instruments required for the craft making, and manufactured various beautiful crafts
- Students got the satisfaction and happiness of making something new
- Many students said that they will use this knowledge and will make use for the self employment

NEED OF SUCH TYPES OF WORKSHOPS

As we run the college in hilly and tribal area, pursuing a degree is not enough. Maximum students are from very poor economical background. Many students leave their education in middle due to economic problems.

Entrepreneurship Development & Industry Institute linkage Cell is working in the field of self employment. Such types of workshop can provide an opportunity to the student for their better future. EDIIL cell is planning for the commercial production of these types of lamps. We will provide all the facilities and kits to the students and they will manufacture the lamps. These lamps will be purchased by the cell and will be sold through its outlets. This will provide some financial help to the students and they can earn while learn
