Summary of the programme : A National Webinar on 'National Education Policy- 2020' was organized by the Department of Political Science, Arts, Science and Commerce College, Chikhaldara run by Sipna Shikshan Prasarak Mandal, Amravati. The mode of the webinar was online. The college is celebrating its Silver Jubilee Year. On the occasion, various programs have been organized through the Silver Jubilee Committee of the College. As a part of this, Shiksha Sanskriti Utthan, Trust New Delhi and Arts, Science and Commerce College, Chikhaldara jointly organized a National Webinar on 21st January 2022. The topic of webinar was 'National Education Policy 2020- Commitment to Implementation'. Mr. Atulji Kothari alias Bhaiji , Secretary, Shiksha Sanskriti Utthan Nyas, New Delhi was the keynote speaker and facilitator. In this, the policy is India-centric and is the third education policy of independent India, and many changes have been made for the purpose of holistic development, he said. He also added that through Academic Credit Bank, students can get admission from one college or university to another. Many colleges will be given autonomy on the basis of grades they will get through their assessments. Courses in English as well as local languages will be available in the medium of instruction. Education will be imparted in

Indian knowledge by combining modern and ancient knowledge. Therefore, becoming fully Indian is the core objective of the National Education Policy. Atulji Kothari congratulated the organizers for organizing the webinar on National Education Policy -2020. Speaking from the presidency of this National Webinar, Dr. Ravindraji Kadu, Secretary Sipna Shikshan Prasarak Mandal, Amravati, Senate Member of Sant Gadge Baba Amravati University, Amravati and also President of Western Regional Committee National Council of Teachers Education asserted, "The education which is useful for solving local problems in various fields is important now a days". He mentioned the important provisions made in the New Education Policy by giving evidence of ancient Indian and British teaching methods. At the beginning of the webinar, Principal of the college and former Vice-Chancellor of Sant Gadge Baba Amravati University Amravati, Dr. Rajeshji Jaipurkar in his introductory speech explained the role of webinar organization. The college is operating in remote tribal areas and has completed successful twenty five years of establishment as well as being awarded B ++ Grade for the third time by NAAC, Bangalore. The college is known for its featured course subjects and various activities for the students. He said that the purpose of organizing webinars on important topics like National Education Policy 2020 was to create awareness about education and bring new coordination. The webinar was attended by total 204 teachers and students from various colleges and universities of Maharashtra as well as states like Madhya Pradesh, Uttar Pradesh, Uttarakhand, Jharkhand, Haryana, Delhi, etc. Dr. Shantaram Chavan, Convener and Head of Political Science department compeered the programme while Dr. Nandkishor Suryawanshi, Convener, Silver Jubilee Committee expressed the vote of thanks. Shri. Anand Dhage and Shri. Shashikant Nair provided technical support. E- Certificates were issued to everyone who registered and participated. The teachers and non-teaching staff of the college contributed a lot for the success of the webinar. The Chief Speaker answered to the questions asked by the participants. The Chief Speaker and Chairperson of the programme congratulated the organizers on the successful organization of the webinar.

“Nature & Science for Socio-economic Development of Tribal Regions” (NWNSDT-2022)**

Promoted by:

The National Academy of Sciences (NASI), Prayagraj - India

Jointly Organized by:

Department of Chemistry, Sant Gadge Baba Amravati University, Amravati

And

Arts, Science & Commerce College, Chikhaldara, Dist. - Amravati

March 12-13, 2022

Melghat is located in the Amravati district of Maharashtra. The inhabitants are mainly tribal. It is a tiger reserve wildlife sanctuary. Melghat Tiger Reserve is situated on the southern offshoot of the Satpura Hill Range in Central India. The place being replete with varied medicinal plants is one of the most relevant places for such events. The participants could experience firsthand knowledge here. The workshop took place at ‘Muthwa’ Community Resource & Research Center, Kotha, Tah.- Dharni, Dist. - Amravati

On 12th March 2022, the inaugural function started with the welcome address by Prof. A.S. Aswar, Convener of the workshop and Head, Department of Chemistry, Sant Gadge Baba Amravati University. He welcomed all the dignitaries, scientists, researchers, students and the local farmers. He elaborated the objectives behind this workshop. The chairperson of the inaugural function was Dr. R.S. Jaipurkar, former Pro Vice-chancellor, Sant Gadge Baba Amravati University. Dr. P.R. Rajput, President, Amravati University Chemistry Teachers’ Association and former Principal, S.S.K.R. Innani College, Karanja (Lad) and Dr. S.R. Manik, Former Head, Department of Botany and Director, BCUD, Sant Gadge Baba Amravati University were present as an inaugurator and a guest of honor respectively. The vote of thanks was proposed by Dr.N.J. Suryawanshi, organizing secretary of the workshop and a faculty of Department of Industrial Chemistry, Arts, Science and Commerce College, Chikhaldara. The inauguration was soon followed by the technical sessions.

Session 1: The first session was addressed by G.D. Muratkar, Head, Department of Environmental Science, Arts, Science and Commerce College, Chikhaldara and Advisor of National Medicinal Plant Board. He shed light upon the topic “Exploration of Medicinal Plants and Documents of Ethnobotanical Data from Melghat Forests”. In this talk, he gave the information of important medicinal plants and their availability in Melghat forest regions. He did mention the economical importance of these plants.

Lunch was scheduled between first and second session.

Session 2: Prof. Prakash P. Itankar from Department of Pharmaceutical Sciences, R.T.M. Nagpur University was the speaker of the second session. The session titled “Revisiting Ethnopharmacology for Exploring Health Solutions” and was focused on the importance of knowledge possessed by the traditional healers (Vaidhus). The discourse was simple and

informative. Prof. Itankar concluded with emphasis on the need of traditional knowledge possessed by the healers and urged this be preserved.

Session 3: The third session was conducted by Nikil B. Lothe, Research Fellow, Central Institute of Medicinal and Aromatic Plants (CIMAP), Lucknow. The topic being “Cultivation and Processing of Economically Important Aromatic Plants”. In this address, he dealt with the cultivation and methods of processing various aromatic plants like Lemongrass, Palmarosa, Geranium, etc. Further he spoke on the economy of these aromatic plants cultivation. The session was found interesting by the questions asked by the participants.

Once the three sessions were over, the topics covered therein were briefly discussed among panelists and participants. The Day 1 activities of the workshop ended with session 3.

The Day 2 started off with a field visit arranged for the participants early in the morning. The visit was organized to facilitate the participants live demonstration of medicinal plants. After the visit, the participants had their breakfast and tea.

Session 4: In this session started off with the talk by Dr. Lal Singh, Senior Scientist, Environmental Biotechnology and Genomics Division, National Environmental Engineering Research Institute (CSIR- NEERI), Nagpur. The title of the talk was “Establishment of Daily Use Plant Nursery on Degraded Land for Socioeconomic Development”. In his talk, Dr. Lal Singh elucidated on how a degraded land can be used to witness a socio-economic development.

Session 5: The session was addressed by Dr.G.K. Khadase, Senior Principal Scientist, National Environmental Engineering Research Institute (CSIR- NEERI), Nagpur. The topic was “Drinking Water and Sanitation: Issues and Impacts in Tribal Areas”. He discussed the points like distribution of water on earth, how to address the water crisis. His address was very much relevant to the socio-economic development of tribal.

Session 6: Dr. Sharada L. Deore, an Associate Professor at Government College of Pharmacy, Amravati conducted this session with her topic “Research in Phytochemicals.” The session began with basic phytochemicals. Later she covered points like semi synthesis, drug discovery strategies, drug discovery from plants etc.

Session 7: The seventh talk was given by Dr. P.A. Gawande, Professor, Department of Botany, Sant Gadge Baba Amravati University. The title was “Drug Discovery from Plant Resources”. The speaker threw light on how botanical resources are useful to be used as drugs, drug ability of isolated phytochemical compounds and features thereof. The talk was quite simple and entertaining to some extent that everyone could respond to it.

Session 8: Dr. D.D. Khedkar, Professor, Department of Botany, Shri. Shivaji Science College, Amravati addressed this last session. He shared the views on the topic “Research and Innovations”. He stressed on how research could be important in a socio-economic development

of a community". In the course of speaking, Dr. Khedkar covered several points like code of research, role of a researcher, holistic approach in research etc. He tried to explain the topic in the most simplified way.

All the sessions were informative as well as productive and the speakers were able to explain the relevance of topics.

The two days national workshop ended with a valedictory function. The chairperson of the function was Prof. A.S. Aswar. Dr.Kishor Rithe, a renowned wild life conservator working on committees of states and central government was chief guest. Dr. Nishikant Kale, President, Nature Conservation Society, Amravati graced the occasion. In the very beginning Dr. N.J. Suryawanshi, organizing secretary, took a brief review of all the sessions. A few participants shared their feedbacks. The guests and chairperson addressed relevantly. The vote of thanks was proposed by a student Miss. Dhanashree Waghmare. All the dignitaries and guests were warmly welcomed with offering them mementos. Certificates were given to the participants and feedback thereof was collected. The workshop got an overwhelming response and proved to be a success. Total 83 participants including teachers, students and research scholars from different colleges along with local farmers and NGO representatives participated in the workshop.

Outcomes of the Workshop:

- 1) Medicinal plants and the phytochemicals are of much importance in socio-economic development of tribal regions.
- 2) The local Melghat region is rich in diverse medicinal plants.
- 3) Aromatic plants cultivation trainings needs to be conducted in such regions.
- 4) Provision of pure drinking water is essential for health and hygiene of the local people.
- 5) Traditional knowledge from healers should be preserved.
- 6) Degraded lands can play a role in socio-economic development of tribal people.

About the organising college

Arts, Science & Commerce College, Chikhaldara, Dist. Amravati :-

Sipna Shikshan Prasarak Mandal, Amravati is established with the specific goals and mission of overall development of the people in Melghat, a tribal, remote and backward region in Amravati district of Maharashtra state. Melghat comprising of two tehsil places (Chikhaldara and Dharni) is hilly terrain at the northern extreme of the Amravati district of Maharashtra. Melghat means 'meeting of the ghats', which describes the area as a large tract of unending hills and ravines scarred by jagged cliffs and steep climbs. It is renowned for 'Melghat Tiger Project' and 'Gugamal National Park' worldwide. Presently, the total area of the reserve is around 1677 km². The forest is tropical dry deciduous in nature, dominated by teak (Tectonagrandis). Chikhaldara is a Hill Station and a municipal council in Melghat. Chikhaldara is the sole hill resort in the region assumed to be the 'Nandanvan' of Vidharbha, is situated at an altitude of 1118 m with highest Vairat point 1188 m and has the added dimension of being the only coffee-growing area in Maharashtra. The place has a rich variety of flora and fauna with the nature's beautiful architecture spread all over the region. Arts, Science and Commerce College, Chikhaldara, Dist.: Amravati came into existence in 1996 with an intention to impart higher education to the tribal at their very door step and ensure their well being, growth and safety. The college offers degree courses like B. A., B. Sc., B. Com with traditional and advanced subjects and M. Sc. (Environmental Science). Whereas in UG science stream there are innovative subjects like Petrochemical Science, Food Science, Apiculture, Industrial Chemistry and Environmental Science. The college run recognized research centers for the subjects Physics, Botany, Mathematics, Chemistry, Environmental Science, Marathi, Hindi, English, Political Science and Sociology. Besides this the college also runs various add-on and certificate courses.

Ramanand Arya D. A. V. College (Autonomous), Bhandup (East), Mumbai :-

Ramanand Arya D.A.V. College, established in 1988, by the Uttari Bharat Sabha, today provides undergraduate, postgraduate and research education to around 3000 students. It has been conferred with the 'Autonomous' status by the University Grants Commission and the University of Mumbai with effect from the academic year 2021-2022. The college has earlier been re-accredited with 'A' Grade by NAAC in 2015, and this rating has been validated till 31st December 2026. The college has also been conferred with the "Best College Award" and the "Best Non-Teaching Staff Award" by the University of Mumbai. The college has a Research Centre in commerce, which has so far produced three Ph.D. awardees. Presently 24 scholars are pursuing their Ph.D. through the Research Centre and 25 candidates have gone through the interview process and awaiting admission 11 national/international research conferences have been successfully organized by the college till now. The college has also entered into a collaboration agreement with the London School of Management Education (LSME) to promote research activities among its faculty members and students. The college has performed well in sports by winning numerous awards at various tournaments, especially in Kabaddi. Till now five students of our college have been presented with the 'Shiv Chatrapati Award' by the Government of Maharashtra for their outstanding performance in the games of Kabaddi, Wushu and Squash. The unit of NSS (National Service Scheme) of the college, has been conferred with the 'Best NSS Unit' award by the Government of Maharashtra and the 'Best Programme Officer' award and the 'Best NSS Volunteer' award by the University of Mumbai. After obtaining the autonomous status, the college has introduced three new employability oriented Undergraduate Programmes and six Certificate Courses for the skill development of its students. The college has ambitious plans to introduce new programmes and courses in the coming years for improving the employability potential of its students.

N. E. S. Science College, Nanded :-

Poojya Swami Ramanand Teerth established "Nanded Education Society" in 1950 for catalyzing educational revolution in backward region of Marathwada. N.E.S. Science College is one of the premier institute of this region. It is single faculty college imparting quality education to the students of this region since last 67 years. The college is always ready to offer emerging contemporary education to the learners to fulfill the need of society as well as to meet global challenges. This institution has been on the forefront in pursuit of academic excellence, reaccredited with 'A' grade by NAAC with CGPA 3.38 and received college with potential for excellence (CPE) status from UGC. The college received DST-FIST programme and recently awarded as Best College Award by Swami Ramanand Teerth Marathwada University, Nanded

Dear Students,

Nanotechnology is a field of research and innovation concerned with building 'things' - generally, materials and devices - on the scale of atoms and molecules. For students to stand out as promising assets to Research and Innovation they need to get knowledge about nanotechnology. So, Department of Physics, Shankarlal Khandelwal College, Akola is organizing an Online Guest Lecture on "Introduction to Nanotechnology" for the Students.

Venue: Online using ZOOM Conference App

Objectives:

- To fulfill objectives of MoU
- To interact formally with the research scholars of MoU partners
- To interact and seek the knowledge from the in house expertise
- To resolve queries of research scholars

Brief Report:

Introduction:

As per the MoU signed between the two parties for academic and research activities. The two parties are Department of Physics, Arts, Commerce & Science College, Chikhaldara, Dist: Amravati and the Department of Physics, Smt. Narsamma Arts, Science & Commerce College, Kiran Nagar, Amravati.

Under this MoU, a lecture was organized. As stated, one of the activities is "Interactive Sessions for Researchers & the Scholars"

To start with, Dr. V. D. Kapse has given detailed information regarding the very purpose of MoU and the objectives of MoU.

Dr. V. D. Kapse briefed the activities planned and also gave information about tentative schedule of the program.

Principal Dr. R. S. Chandanpath was a Chief Guest.

He gave wishes to the research scholars and appreciated the platform made available for the researchers under both the Institutions.

He also suggested to take the benefit of such platforms for work to build the nation.

He said that patents is the ultimate output of the research by which nation is recognized across the globe.

Principal Dr. Jagdish Saboo, Shankarlal Khandelwal Arts & Science College, Akola inaugurated the programme with valuable guidance to students.

Dr. A. U. Bajpeyee was the speaker.

Since the title of the activity is "Research Methodologies in Physical Sciences"

With due worth he explained all the fundamental steps in research in Physical Sciences in very simple language. He suggested good approaches in research.

He focused on the steps in research rather than the title of the project / article / thesis title.

Principal Dr. R. S. Jaipurkar chaired the program.

Dr. Jaipurkar gave the information about the Research Centers at the College. He announced open college platform for young researchers. He declared every possible help to the research scholars.

Dr. V. D. Kapse announced open discussion and query solving session in which after the interaction, queries have been resolved.

Dr. S. K. Devade, at the end, thanked all the participants, Chairman of the program, Chief Guest with special thanks to Prof. Sawarkar, who handled the technical aspects.

Number of participants:

27 (16 Research Scholars, 06 Teachers and 05 Others)

Summary of the programme : A National Webinar on 'National Education Policy- 2020' was organized by the Department of Political Science, Arts, Science and Commerce College, Chikhaldara run by Sipna Shikshan Prasarak Mandal, Amravati. The mode of the webinar was online. The college is celebrating its Silver Jubilee Year. On the occasion, various programs have been organized through the Silver Jubilee Committee of the College. As a part of this, Shiksha Sanskriti Utthan, Trust New Delhi and Arts, Science and Commerce College, Chikhaldara jointly organized a National Webinar on 21st January 2022. The topic of webinar was 'National Education Policy 2020- Commitment to Implementation'. Mr. Atulji Kothari alias Bhaiji , Secretary, Shiksha Sanskriti Utthan Nyas, New Delhi was the keynote speaker and facilitator. In this, the policy is India-centric and is the third education policy of independent India, and many changes have been made for the purpose of holistic development, he said. He also added that through Academic Credit Bank, students can get admission from one college or university to another. Many colleges will be given autonomy on the basis of grades they will get through their assessments. Courses in English as well as local languages will be available in the medium of instruction. Education will be imparted in

Indian knowledge by combining modern and ancient knowledge. Therefore, becoming fully Indian is the core objective of the National Education Policy. Atulji Kothari congratulated the organizers for organizing the webinar on National Education Policy -2020. Speaking from the presidency of this National Webinar, Dr. Ravindraji Kadu, Secretary Sipna Shikshan Prasarak Mandal, Amravati, Senate Member of Sant Gadge Baba Amravati University, Amravati and also President of Western Regional Committee National Council of Teachers Education asserted, "The education which is useful for solving local problems in various fields is important now a days". He mentioned the important provisions made in the New Education Policy by giving evidence of ancient Indian and British teaching methods. At the beginning of the webinar, Principal of the college and former Vice-Chancellor of Sant Gadge Baba Amravati University Amravati, Dr. Rajeshji Jaipurkar in his introductory speech explained the role of webinar organization. The college is operating in remote tribal areas and has completed successful twenty five years of establishment as well as being awarded B ++ Grade for the third time by NAAC, Bangalore. The college is known for its featured course subjects and various activities for the students. He said that the purpose of organizing webinars on important topics like National Education Policy 2020 was to create awareness about education and bring new coordination. The webinar was attended by total 204 teachers and students from various colleges and universities of Maharashtra as well as states like Madhya Pradesh, Uttar Pradesh, Uttarakhand, Jharkhand, Haryana, Delhi, etc. Dr. Shantaram Chavan, Convener and Head of Political Science department compeered the programme while Dr. Nandkishor Suryawanshi, Convener, Silver Jubilee Committee expressed the vote of thanks. Shri. Anand Dhage and Shri. Shashikant Nair provided technical support. E- Certificates were issued to everyone who registered and participated. The teachers and non-teaching staff of the college contributed a lot for the success of the webinar. The Chief Speaker answered to the questions asked by the participants. The Chief Speaker and Chairperson of the programme congratulated the organizers on the successful organization of the webinar.

Programme:

National Level Webinar on “Recent Advances in Nanomaterials-2020” (RAIN-2020)

Venue: Online by making use of Zoom and Youtube platforms

Date: 05th December 2020

Target group: College and University teachers in India

Chief Guests/Speakers:

1. Hon’ble Dr. Ravidraji Kadu, Secretary, Sipna Shikshan Prasarak Mandal, Amravati.
Hon’ble
2. Dr. F. C. Raghuwanshi, Dean, Faculty of Science and Technology, S.G.B. Amravati University, Amravati (Maharashtra State)
3. Prof. Dr. D. Haranath, Department of Physics, NIT, Warangal (Telegana State)
4. Prof. Dr. S. J. Dhoble, Department of Physics, R. T. M. Nagpur University, Nagpur (Maharashtra State)
5. Dr. S. A. Waghuley, Department of Physics, S.G.B. Amravati University, Amravati (Maharashtra State)
6. Dr. D. K. Chaudhary, Prof. Rajendra Singh Institute of Physical Sciences for study and research, Veer Bahadur Singh Purvanchal University, Jaunpur.
7. Dr. N. R. Pawar, Department of Physics, Arts, Commerce and Science College, Maregaon (Maharashtra State)

Objectives:

- ✓ To focus on the fundamental aspects and recent developments in the field of nanomaterials

- ✓ To sharpen the knowledge of the fundamental ideas and recent advances in nanomaterials.
- ✓ To provide the platform for young researchers, academicians, students and industry persons from all over the country to update themselves in the field of material science in general and nanomaterials in particular

No. of beneficiaries: 479

National webinar:

The national level webinar on “Recent Advances In Nanomaterials-2020” (RAIN-2020) was organized by the Department of Physics, Arts, Science and Commerce College, Chikhaldara, Distt.: Amravati (Maharashtra State) by making use of Zoom and Youtube platforms. The formal inaugural function started with the introductory speech by the Organizing Committee Convener Dr Vivek D. Kapse, Head, Department of Physics followed by the welcome speech by Dr. V. R. Patil, Principal of the college. The function was presided over by the Hon’ble Dr. Ravidraji Kadu, Secretary, Sipna Shikshan Prasarak Mandal, Amravati. Hon’ble Dr. F. C. Raghuwanshi, Dean, Faculty of Science and Technology, S.G.B. Amravati University, Amravati inaugurated the workshop with a thought provoking and inspiring inaugural speech. The keynote speaker of the webinar, Prof. Dr. D. Haranath, Department of Physics, NIT, Warangal (Telegana State) delivered a talk on the topic “Biomaterials And Their Applications For Better Tomorrow”.

The first technical session on the topic, “Scenario of Synthesis Route Techniques For Nanomaterials" was handled by Prof. Dr. S. J. Dhoble, Department of Physics, R. T. M. Nagpur University, Nagpur with a demonstration speech and a very healthy interactive session with the participants. Dr. S. A. Waghuley, Department of Physics, S.G.B. Amravati University, Amravati (Maharashtra State) chaired the first technical session.

Dr. D. K. Chaudhary, Prof. Rajendra Singh Institute of Physical Sciences for study and research, Veer Bahadur Singh Purvanchal University, Jaunpur was the Resource person

in the 2nd technical session. He delivered his invited lecture with the support of a well prepared power point. The topic of the second technical session was "Quantum Dots In Perovskite Solar Cells: Impact On Efficiency And Stability". The queries of the participants were clarified by the Resource Person in the interactive session. Dr. N. R. Pawar, Department of Physics, Arts, Commerce and Science College, Maregaon (Maharashtra State) chaired the second technical session. Dr. G. R. Dhokane conducted the technical sessions. Finally, after the valedictory session, feedback from the participants was received and the webinar was concluded.

The organizers are proud to declare that a total of 479 teachers registered and participated in the webinar and it was a great success.

The organizing committee is extremely thankful to Hon'ble Shri. Jagdishji Gupta, President, Sipna Shikshan Prasarak Mandal, Amravati, Hon'ble Dr. Ravidraji Kadu, Secretary, Sipna Shikshan Prasarak Mandal, Amravati, In-Charge Principal Dr. V.R. Patil and the members of organizing committee for their support at various levels. The Convener expresses heartfelt thanks to the continuous co-operation and support of the Research Scholars of Department of Physics, Arts, Science and Commerce College, Chikhaldara.

About the college:

Sipna Shikshan Prasarak Mandal, Amravati is established with the specific goals and mission of overall development of the people in Melghat, a tribal, remote and backward region in Amravati district of Maharashtra state. Melghat comprising of two tehsil places (Chikhaldara and Dharni) is hilly terrain at the northern extreme of the Amravati district of Maharashtra. Melghat means 'meeting of the ghats', which describes the area as a large tract of unending hills and ravines scarred by jagged cliffs and steep climbs. It is renowned for 'Melghat Tiger Project' and 'Gugamal National Park' worldwide. Presently, the total area of the reserve is around 1677 km². The forest is tropical dry deciduous in nature, dominated by teak (Tectonagrandis). Chikhaldara is a Hill Station and a municipal council in Melghat. Chikhaldara is the sole hill resort in the region assumed to be the 'Nandanvan' of Vidharbha, is situated at an altitude of 1118 m with highest Vairat point 1188 m and has the added dimension of being the only coffee-growing area in Maharashtra. The place has a rich variety of flora and fauna with the nature's beautiful architecture spread all over the region. Arts, Science and Commerce College, Chikhadara, Distt.: Amravati came into existence in 1996 with an intention to impart higher education to the tribal at their very door step and ensure their well being, growth and safety. The college offers degree courses like B. A., B. Sc., B. Com with traditional and advanced subjects and M. Sc. (Environmental Science). Whereas in UG science stream there are innovative subjects like Petrochemical Science, Food Science, Apiculture, Industrial Chemistry and Environmental Science. The college run recognized research centers for the subjects Physics, Botany, Mathematics, Chemistry, Environmental Science, Marathi, Hindi, English, Political Science and Sociology. Besides this the college also runs various add-on and certificate courses.

Online Workshop on Online Platforms/Tools for TLE

Date: 21-12-2020

Objectives: To provide information to the participants regarding online available and easily accessible platforms and tools for effective teaching learning and evaluation processes

Brief Report:

For Teaching, non-teaching Staff and all students of the college, an Online Zoom Meeting App workshop on **Online Platforms/Tools for Teaching Learning Evaluation** was organized to share information and knowledge regarding available online platforms/ tools and applications for the TLE processes on 21 st December, 2020. The workshop was organized by IQAC under Criterion II of NAAC. Dr Rajesh Bhojar, Assistant Professor in the Dept. of Computer Science, Sant Gadge Baba Amravati University, Amravati was invited as a speaker to address the topic of the workshop into two technical sessions. The teaching, non-teaching Staff and students of the college benefitted from this workshop.

Holistic and Ethical approach

Date – 16 Februaryl 2021.

Venue- Arts, Science and Commerce College Chikhaldara

Objective – To aware the teaching staff about Holistic and Ethical approach.

Brief Report

Research club organized Guest lecture on Holistic and Ethical approach. While working in Academic Institutions faculty should aware about this. The Guest Speaker Dr.Dinesh Khedkar Professor(Botany) at Shri.Shivaji Science College, Amravati delivered the most informative and knowledgeable speech which proved very useful for the staff. He told in his guest lecture that, how to work in our Institution and while working what or which precaution we should take. He further said how to do valuable research work in a proper way. In Institution we should work with together in coordination. He focused on to establish good and healthy relation with all the members of the Institution and create healthy atmosphere which is more beneficial for the Institution.

No.of Participants – 26 teaching staff.

Introduction:

As per the MoU signed between the two parties for academic and research activities. The two parties are Department of Physics, Smt. Narsamma Arts, Science & Commerce College, Kiran Nagar, Amravati and the Department of Physics, Arts, Commerce & Science College, Chikhaldara, Dist: Amravati.

Under this MoU, a lecture was organized. As stated, one of the activities is "Interactive Sessions for New Researchers & the Scholars"

To start with, Dr. Bajpeyee and Dr. Dhokane both have given detailed information regarding the very purpose of MoU and the objectives of MoU.

Dr. Bajpeyee briefed the activities planned.

Even though MoU was signed in January 2021, due to pandemic situations and continued lockdown, the program was organised at the end of the session.

Dr. Bajpeyee also gave information about tentative schedule of the program.

Principal Dr. V. R. Patil was a Chief Guest.

He gave wishes to the research scholars and appreciated the platform made available for the researchers under both the Institutions.

He also suggested to take the benefit of such platforms for work to build the nation.

He said that patents is the ultimate output of the research by which nation is recognized across the globe.

Dr. Kapse was the speaker.

Since the title of the activity is "Initiation of Research."

With due worth he explained all the fundamental steps in research in chronological order.

He turned in Marathi language to transfer maximum of his opinion related to the research temperament.

He suggested good approaches in research.

He focused on the steps in research rather than the title of the project / article / thesis title.

Principal Dr. R. S. Chandanpat chaired the program.

Dr. Chandanpat initiated his speech with the gratitude to the lady Narsamma Mannewar who donated the land to the parent Trust. He also underlined the programs under Silver Jubilee Celebration of the College conducted throughout the year. He gave the information about the Research Centers at the College. He announced open college platform for young researchers. He declared every help to the research scholars at the minimal rates.

Dr. Bajpeyee announced open discussion and query solving session in which after the interaction, queries have been resolved.

Dr. Shamkuwar, at the end, thanked all the participants, Chairman of the program, Chief Guest with special thanks to Prof. Sawarkar, who handled the technical aspects.

Report of
One day state level workshop
Effective Laboratory Management Skills

Date : - 09th November 2020

Venue : - Online (Zoom & YouTube)

Objectives :-

- To create awareness about the potential among non-teaching to contribute for the betterment of an institution as well as society.
- To explain how non-teaching staff make a difference in servicing students and the institution.
- To explain need for 'change' through training that will help institution function better.
- To discuss the need for and the nuances involved in management information system and say how it contribute to uplift the institution.

Brief Report:-

Sipna Shikshan Prasarak Mandal Amravati's Arts, Science and Commerce, College, Chikhaldara, District: Amravati, organized various workshops on the auspicious occasion of silver jubilee year of the college and as a part of its regular activities. IQAC of the college organized online workshop on "Effective laboratory management skills" for laboratory staff on 09th November 2020.

The workshop was inaugurated by Hon'ble Dr. Ravidraji Kadu, President, NCTE, Western Region, Ministry of Education, Govt. of India, and New Delhi and Secretary, Sipna Shikshan Prasarak Mandal, Amravati. In his inaugural address Dr. Ravindraji Kadu explained the objective of the society in opening the college in Melghat tribal region and the purpose of organizing the workshop for the laboratory staff.

The keynote speaker of the workshop was Hon'ble Dr. S. K. Omanwar, Former Head, Department of Physics, Sant Gadge Baba Amravati University, Amravati. He expressed his views that, this is the first time that the national level workshop for laboratory

attendants has been organized in Vidarbha by Sipna Shikshan Prasarak Mandal, Amravati is an example of a very grassroots levelwork. He threw light on many important things like, equipment maintenance and safety, research laboratory context guidance, written and oral communication skills, good teamwork and time management. The other resource person of the workshop was Hon'ble Prof. A. N. Dongre, Dept. of Geology, Savitribai Fule Pune University, Pune. He also shared his thoughtful experience.

Lab activity- A tool for real growth.

12

- The health of science & Technology subject education is fully dependent on the lab activity.
- This is possible only when, we observe, the necessary ethics for laboratory management and skills for improving ground reality, we need a very much active lab activity by the students.
- Few key aspects for today's discussions

Creativity & Innovation

23

Creativity is seeing the same thing but thinking differently.

Creativity is related to imagination and imagination is related to innovation. Innovation itself is unique for everyone that conceives a fresh idea and converts the idea into a successful business.

Hard work with Risk

25

Excellence happens not by accident. It is a process.

In order to achieve excellence, a holistic roadmap with hard work and risks is required.

National Level Webinar on **Best Practices In Laboratory Safety Management**

Date: 26th December 2020 (11.00 am – 01.30 pm)

About the college:

Sipna Shikshan Prasarak Mandal, Amravati is established with the specific goals and mission of overall development of the people in Melghat, a tribal, remote and backward region in Amravati district of Maharashtra state. Melghat comprising of two tehsil places (Chikhaldara and Dharni) is hilly terrain at the northern extreme of the Amravati district of Maharashtra. Melghat means 'meeting of the ghats', which describes the area as a large tract of unending hills and ravines scarred by jagged cliffs and steep climbs. It is renowned for 'Melghat Tiger Project' and 'Gugamal National Park' worldwide. Presently, the total area of the reserve is around 1677 km². The forest is tropical dry deciduous in nature, dominated by teak (Tectonagrandis). Chikhaldara is a Hill Station and a municipal council in Melghat. Chikhaldara is the sole hill resort in the region assumed to be the 'Nandanvan' of Vidharbha, is situated at an altitude of 1118 m with highest Vairat point 1188 m and has the added dimension of being the only coffee-growing area in Maharashtra. The place has a rich variety of flora and fauna with the nature's beautiful architecture spread all over the region. Arts, Science and Commerce College, Chikhadara, Distt.: Amravati came into existence in 1996 with an intention to impart higher education to the tribal at their very door step and ensure their well being, growth and safety. The college offers degree courses like B. A., B. Sc., B. Com with traditional and advanced subjects and M. Sc. (Environmental Science). Whereas in UG science stream there are innovative subjects like Petrochemical Science, Food Science, Apiculture, Industrial Chemistry and Environmental Science. The college run recognized research centers for the subjects Physics, Botany, Mathematics, Chemistry, Environmental Science, Marathi, Hindi, English, Political Science and Sociology. Besides this the college also runs various add-on and certificate courses.

Organized by
Internal Quality Assurance Cell and Research Club

Date: 25/04/2020

Report

Internal Quality Assurance Cell (IQAC) in collaboration with Research Club organized a **Webinar** on '**Intellectual Property Rights (IPR) and Patent Filing**' on **25/04/ 2020** for the teaching and non-teaching staff members of the college through video conferencing using Blue Jeans platform. To aware the staff members about the intellectual property rights (IPR) & filling patent and to promote them for new and innovative thinking was the prime objective of the webinar. Dr. V. D. Kapse, IQAC Coordinator pointed out the objectives behind the organization of webinar.

The Webinar started at 1.00 pm with the welcome and thematic address delivered by Dr. V. D. Kapse, IQAC Coordinator. He introduced and welcomed resource person of the webinar **Dr. M. M. Betkar**, Principal, Shri Kumarswamy Mahavidyalaya, AUSA. Then, he extended a warm welcome to all the participants of the Webinar.

Dr. V.R. Patil, Principal (I/C) chaired the session. During his presidential address, he emphasized to have an awareness regarding IRP and patent filling. He also pointed out the need of such webinars for staff members of the college.

During the lecture, resource persons **Dr. M. M. Betkar** elaborately explained the followings:

- What is intellectual property?
- Types of intellectual property
- Patentable property
- Intellectual Property and Market
- What is a Patent?
- What is an Innovation?

- Trademarks
- Copyrights
- Research
- Research Continuum etc.

Dr. V. D. Kapse compeered the webinar while Dr. U. R. Kokate expressed the vote of thanks. Total 36 numbers of teaching and non teaching staff members participated in the workshop. In the Interactive Session, the clarifications and queries of the participants regarding various aspects were addressed by the Resource Person.

Stress Management

- Instead of coffee, drink water, juice, or electrolyte infused drinks. Dehydration often is the cause of fatigue.
- Coffee and soft drinks that contain caffeine may seem to “keep you going”, but in reality they add to stress and don’t keep your body hydrated.

- Practicing Yoga will considerably reduce the physical, emotional & mental stress of an individual

RESEARCH CLUB

**A Report on Guest Lecture on
“Innovation, Incubation and Entrepreneurship”
by Dr.B.N. Jagtap**

Date: 22/09/2018

Research Club organized a guest lecture on **22/09/2018** for the students, teaching and nonteaching staff of the college. The topic was **“Innovation, Incubation and Entrepreneurship”** and the guest speaker was **Dr.B.N. Jagtap, Senior Professor, Department of Physics, IIT Bombay and former Distinguished Scientist and Director, Chemical Group at Bhabha Atomic Research Centre, Mumbai.** To make the students and the staff acquainted with the newly launched concept of Innovation, Incubation and Entrepreneurship was the prime objective of the programme. The main points discussed by the guest were

- **What is innovation and invention?**
- **How to connect knowledge and social/economic development?**
- **Patents: An Indicator of Innovation**
- **Entrepreneurship in India**
- **Market Size etc.**

In the beginning, Dr. N.J Suryawanshi, Convener of Research Club explained the aim behind organizing the programme and introduced the guest. Dr. V.R. Patil, Principal (I/C) chaired the session while Dr. H.U. Petkar presented the vote of thanks. The total number of students, teaching and non teaching staff of college benefitted from the lecture was 72, 19 and 06 respectively.

Prof. B.N. Jagtap did his PhD from Bombay University in 1980. He joined the Department of Physics, IIT Bombay in January 2017 after superannuating as Distinguished Scientist and Director, Chemical Group from Bhabha Atomic Research Centre, Mumbai in December 2016.

Prof. Jagtap's researches are inclined towards the study of Laser Physics, Quantum optics, Nanophotonics, Energy science. The very idea of converting basic science into technology interests him a lot.

Before joining IIT Bombay, Prof. Jagtap has had a R&D experience of over 40 years. He joined Bhabha Atomic Research Centre in 1977 as Scientific Officer after completing one BARC Training School Programme. He has held a number of positions in BARC during the career span of 1977-2016, which included Head, Atomic & Molecular Physics Division from 2010 to 2013, and Director, Chemical Group from 2013 to 2016. He was also awarded 'Outstanding Scientist' in 2008 and 'Distinguished Scientist Award' in 2012.

Apart from his career in research, Prof. Jagtap has held many positions in his academic career as well. He was the Senior Professor of Physical Sciences, 2008 onwards, Dean Academic and Member, Board of Studies, Physical Sciences from 2010 to 2014. From 2014 to 2016 he served as the Chairman of Board of Studies in Chemical Sciences and was also a member, Internal Quality Control Cell (2014-16). He served as a Distinguished Visiting Professor (Adjunct) in the Department of Physics, IIT Bombay from 2009 to 2013.

Name of the extension : *“Interactive Session on SWAYAM & MOOCs for Teaching Staff Members”*

OBJECTIVES

- *To make aware of Online Courses through SWAYAM & MOOCs.*
- *To guide about enrolling themselves for their refresher courses.*
- *To enhance their knowledge by using courses on SWAYAM Portal .*

Number of beneficiaries : 13 teachers from B.A., B.Com.,
and B.Sc.

Duration : 1Days

Date : 29th January, 2019

Brief summary of the programme : Swayam and MOOCs are the online portals provided by Government (MHRDC)and UGC. These courses are free online courses for all over world.SWAYAM is an instrument for self-actualizationproviding opportunities for a life-long learning. SWAYAM presents a unique educational opportunity to expand the horizons of knowledge.

A massive open online course (MOOC) is an online course aimed at unlimited participation and open access via the web. In addition to traditional course materials, such as filmed lectures, readings, and problem sets, many MOOCs provide interactive courses with user forums to support community interactions among students, professors, and teaching assistants (TAs), as well as immediate feedback to quick quizzes and assignments. MOOCs are a recent and widely researched development in distance education, first introduced in 2006 and emerged as a popular mode of learning in 2012.

This way Department of Computer Science in collaboration with IQAC carried out the workshop successfully.

Brief Report of Extension Activity
2017-18

Name of the extension : *"Two days workshop on Moodle for Teachers"*

OBJECTIVES

- *To make Teachers aware of Moodle.*
- *To make advancement in the teaching activity using Moodle.*
- *To cut cost of paper use using Moodle.*

Number of beneficiaries : 18 teaching staff.

Duration : 2 days.

Date : 6th and 7th March 2018.

Brief summary of the programme : Moodle is one of the freely available web application and interactive tool which is very beneficial for educational institutions. Since it is web application, it can be used on internet as well as on intranet. In this programme for teachers, the awareness about Moodle was the main motto. The teachers should be able to access and use Moodle effectively so that students can get benefitted from them. In this programme, they are told about working of Moodle and how they can upload different types of tests for students and make announcements for them. Apart from this, they are told how they can edit their profile and password, and interact with students and other teachers using chat application.

They are told the benefits of using Moodle for teaching like cutting in cost of paper for exam and documentation of results.

This way the program is carried out successfully and carried out by Department of Computer Science in collaboration with IQAC.
